CITY OF PERRIS

2013-2014

Consolidated Annual Performance and Evaluation Report (CAPER)

In order to receive grant funding through the U.S Department of Housing and Urban Development (HUD), the City of Perris is required to prepare a written plan, called the Consolidated Plan, that establishes priorities, adopts strategies and sets goals over a five-year period for addressing community development and housing needs. In addition, at the beginning of each fiscal year, the City must prepare an Annual Action Plan which discusses how it intends to meet the goals and objectives of the Five-Year Consolidated Plan, including the types of projects and activities approved and funded. Finally, at the end of the fiscal year, the City must prepare a report describing the progress it has made in implementing the community development and housing activities outlined in its Annual Action Plan and that meet Five-Year Consolidated Plan goals. This end of the year report is called the Consolidated Annual Performance Evaluation Report (CAPER).

The City of Perris's 2013-2014 CAPER represents the fifth and final performance report of the 2009-2014 Consolidated Plan, which covers fiscal years 09-10, 10-11, 11-12, 12-13 and 13-14. This CAPER specifically describes activities undertaken during FY 13-14, incorporates public comments received regarding proposed activities and includes reports generated by HUD's Integrated Disbursement and Information System (IDIS), which reflect the accomplishments of the City in its national database.

REPORTING PERIOD

The reporting period for this PY 2013 CAPER is the City’s Fiscal Year, which began July 1, 2013 and ended June 30, 2014.

CR – 05: GOALS AND OUTCOMES

PROGRESS MADE IN CARRYING OUT PLANNED ACTIVITIES

The City has worked with community agencies, internal departments, the general public and others to carry out its CDBG Program with the HUD resources indicated in the Consolidated Plan. The City provided all requested certifications of consistency in its Annual Action Plan, in a fair and impartial manner. More importantly, the City did not hinder Consolidated Plan implementation by action or willful inaction.

Standardized Reallocation Process and Amendments to the Five-Year Consolidated Plan/Annual Action Plan

During the fiscal year, the City assessed the status of its CDBG funded activities and projects. As a result, a public hearing was conducted to amend the Annual Action Plan. This action allowed the City to reprogram funds to provide funding to projects ready to move forward and to encourage timely expenditure of funds. All actions support the City’s Five-Year community development and housing objectives as identified in the City’s Consolidated Plan.

Date	Project/Activity	General Description
1-28-2014	Amendment to Consolidated Plan 2009-2014 and Annual Action Plan FY 2013-2014	Reallocation of Funds

This Table provides an assessment of the City in attaining the goals and objectives for the reporting period. It also provides a breakdown of the priority needs, as well as funds allocated and expended on grant activities for each goal and objective.

NARRATIVE

The tables above identify Federal entitlement and competitive grant resources, provided to the City during FY 2013-2014 to meet housing and community development needs. The City had originally anticipated receiving State HOME funds during PY 2013, however, no funds were received.

GEOGRAPHIC DISTRIBUTION

The City of Perris, while under the jurisdiction of Riverside County, established a Target Area determined by census data. Using U.S. Census Bureau 2000 CHAS data, the City identified census tracts within the City in which 51% or more of the residents were of low to moderate income. The Target Areas are those eligible Census Tracts: 426.17, 436.20, 427.06, 427.09, 427.19, 427.30, 428.00, 429.01, 429.02, 429.04 as shown in the Figure of the CDBG Eligible Areas Map. The Target Area is characterized by high concentrations of low and moderate income families, high unemployment, and deferred home maintenance, and deteriorating infrastructure. Also, because the entire City of Perris is greater than 51% low to moderate-income, an Area Wide Benefit has been determined to apply within the Target Area; therefore, CDBG funds have been targeted for some activities serving an area wide benefit.

The following is a Census Tract Map, which shows the geographic distribution and location of fund investment.

CDBG AREA TARGET MAP

PRIORITY LOCATION OF INVESTMENTS

Except for Code Enforcement, which is conducted in established target areas, comprising CDBG-Eligible areas and designated blighted areas, projects will be done throughout the City, based on either low-mod qualifying area or individually where appropriate, based on the income qualifications of the household for assistance, as applicable.

LEVERAGING

The CDBG Entitlement Program does not require matching funds. However, The City of Perris leveraged Federal HUD Resources with other public and private resources to assist the City in meeting its overall community development and housing goals, including those identified in the FY 2013-2014 Annual Action Plan.

Other public and private funding sources include, but are not limited to the following:

1. Successor Agency Funds (Former RDA Agency Funds)
2. General Funds
3. Street Lighting District Funds
4. Gas Tax Funds
5. Sidewalk Grant SB-821
6. Park Development Funds
7. Construction Funds

MINORITY BUSINESS ENTERPRISES AND WOMEN-OWNED BUSINESS ENTERPRISES

Minority and Women-Owned Business provisions are included in the City's purchasing/procurement policies. In order to promote the use of minority and women-owned businesses, the City takes the following actions:

1. Maintain and update periodically qualified minority and women-owned businesses on a Bidder List.
2. Disseminate information regarding City bidding procedures and practices to the minority business community.
3. Require that the City's Minority Business Questionnaire be included with all City bids and Requests for Proposals.
4. Provide access to the Ethnic/Women Business and Professional directory to area businesses and contractors upon request.

The City continues to conduct outreach to minority business and women-owned business enterprises (MBE/WBE).

MINORITY OWNERS OF RENTAL PROPERTY

N/A – The City does not receive Federal Entitlement HOME Funds and this information is requested on the HOME Match Report.

RELOCATION AND REAL PROPERTY ACQUISITION

During FY 2013-2014, there was no voluntary or involuntary displacement that would trigger the requirements of the Uniform Relocation Act.

The City of Perris's policy is to minimize displacement, whether permanently or temporarily, of person from projects funded with Federal funds, such as: Property Acquisition, Single or Multi-Family Rehabilitation and Demolition. If the City undertakes any of these activities with funds provided under the CDBG or HOME Programs, the City would follow the Uniform Relocation Assistance and Real Property Policies Act of 1978 (URA) and Section 104 (d) of the Housing and Community Development Act of 1974.

CR – 20: AFFORDABLE HOUSING

EVALUATION OF THE CITY’S PROGRESS IN PROVIDING AFFORDABLE HOUSING

The following sections summarize the progress in meeting proposed goals for providing affordable housing, including the number of extremely low, low and moderate-income households that were assisted during the reporting period by income level.

NUMBER OF HOUSEHOLDS

	One-Year Goal	Actual
# of homeless households to be provided affordable housing units	0	0

# of households supported through rehab of existing units	25	9
# of households supported through the acquisition of existing units	8	1
Total		

DIFFERENCE BETWEEN GOALS & OUTCOMES; PROBLEMS MEETING GOALS

Overall, the largest impact on the identified housing and community development goals and outcomes has been the level of funding compared to number of households in need of assistance. The City continues to fund projects and activities that address the highest and greatest need within the community.

The following activities were conducted in FY 2013-2014 to preserve existing affordable housing stock through homeowner rehabilitation and prevent slum/blight through Code Enforcement Activities in targeted areas, as well as assist in housing affordability:

Activity	Accomplishment Actual Data
Code Enforcement Inspections	864
Senior Home Repair Program	9
First-Time Homebuyer	3

The City has been successful in meeting most of its goals as evidence in the outcomes (See Appendix A: Table 1C - Statement of Specific Annual Goals, Objectives and Outcomes).

HOW OUTCOMES WILL IMPACT THE FUTURE OF ANNUAL ACTION PLANS

Outcomes of the prior 5-year report period impact future Annual Action Plans as they provide an assessment of the City's success in meeting established goals and outcomes. The City will re-think areas, projects or types of activities where the City did not meet its goals.

NUMBER OF EXTREMELY LOW, LOW AND MODERATE-INCOME PERSONS SERVED BY EACH HOUSING ACTIVITY

The Specific Housing Objectives outlined in the FY2013-2014 Action Plan are summarized in the Table Below:

FY 2013-2014 Proposed Households (HH) Assisted

Activity	Funding Source	2013-2014 Housing Objectives	Proposed Budget
First Time Homebuyer Program	State HOME Funds	8 Loans*	\$ 135,060

*Based on revised numbers in Amended 2009-2014 Consolidated Plan

The Table below summarizes the numbers of persons assisted in each program by income level.

FY 2013-2014 Actual Households (HH) Assisted by Income Level

Program Type	Proposed # of HH	Total HH Assisted	ELI (0-30% of Median)	VLI (31%-50% of Median)	LI (51%-80% of Median)	MI (81%-120% of Median)

New Construction: Perris Station	0	N/A	N/A	N/A	N/A	N/A
Mercado Apartments	0	N/A	N/A	N/A	N/A	N/A

As the above Table indicates, the City met or exceeded most its housing goals.

SECTION 215 AFFORDABLE HOUSING: Housing that is for purchase, with or without rehabilitation, qualifies as affordable housing. Also, housing that is to be rehabilitated, and is already owned by a household when assistance is provided qualifies as affordable housing. During FY 2013-2014, the City of Perris provided homeownership assistance for down payment and closing costs assistance to two homebuyers utilizing State HOME Investment Partnership Program and one homebuyer using Neighborhood Stabilization Program-3 funds. Additionally, owner-occupied units were rehabilitated under various programs.

The Table above indicates that the City was successful in meeting the specific objectives identified in the Fourth Program Year Action Plan.

“WORST-CASE NEEDS”: Worst case housing needs are defined as low-income renter households who pay more than half of their income for rent, live in seriously substandard housing or have been involuntarily displaced. The City of Perris did not provide any assistance to rental households during FY 2013-2014. However, the Perris Family Resource Center offered a variety of services to residents, including rental housing assistance and utility assistance for renters.

NEED OF PERSONS WITH DISABILITIES: The Perris Family Resource center, along with other non-profit partners, provides non-residential and housing assistance to persons with disabilities. Such services include, but are not limited to: essential services for the homeless, shelter, substance abuse assistance, health resources or referrals, job placement and housing assistance.

PUBLIC HOUSING STRATEGY

Improving Public Housing and Resident Initiatives

Improving public housing and resident initiative are the jurisdictional responsibility of the Riverside County Housing Authority. There are 469 public housing units in Riverside County including 38 units within the City of Perris located at 102-142 Midway Street. The County continues to administer the public housing program and manage the City complex. The City of Perris continues to partner with the County in the implementation of resident initiatives. Efforts to improve public housing include routine inspections of all housing units throughout the City through Code Enforcement. Public Housing health and safety housing violations are referred to the County for remediation. Major violations may be cited and subject fines.

CR – 25: HOMELESS AND OTHER SPECIAL NEEDS

The specific Homeless Needs Objectives outlined in the FY2013-2014 Action Plan are two pronged and include:

- Participating in the Riverside County Continuum of Care for the Homeless; and
- Supplementing the Riverside County Continuum of Care with its own local task force.

The Riverside County Homeless Programs' primary purpose is to develop and maintain an effective county-wide Continuum of Care in order to move homeless people toward stable housing and self-sufficiency.

REACHING OUT TO HOMELESS PERSONS AND ASSESSING NEEDS

Outreach and Assessment is provided through the Riverside County Continuum of Care Homeless Assistance Program. The public is notified of homeless issues that exist in the City and the resources available to assist the homeless population. Persons requesting assistance from the City are referred to the Riverside County Continuum of Care Homeless Assistance Program.

ADDRESSING EMERGENCY SHELTER AND TRANSITIONAL HOUSING NEEDS OF HOMELESS PERSONS

The City does not have an ESG Program. Also, the City did not obtain any Federal funds from the Homeless SuperNOFA.

Shelter, outreach and essential services were coordinated via the County of Riverside Continuum of Care Homeless Assistance Program.

HELPING HOMELESS PERSONS TRANSITION TO PERMANENT HOUSING

Homeless families and individuals desiring to move from homelessness to permanent housing and independence were placed in a variety of programs depending on the situation surrounding their homelessness. Agencies in the County of Riverside Continuum of Care provide the assistance required to effectively help homeless persons transition from homelessness to appropriate living conditions. Once clients are placed with an agency, the agency then takes responsibility for assisting families in moving to transitional and then permanent housing.

HOMELESS DISCHARGE COORDINATION POLICY

The City has not instituted a homeless discharge policy and no CDBG funds are being used for this effort.

NON-HOMELESS PERSONS

During FY 2013-2014, the City addressed non-homeless special needs populations through its public service programs and projects. This included the following programs:

1. Youth Mentoring Program – Afterschool educational, recreational and social services to the at-risk youth population.
2. Graffiti Removal Program – Reduce crime and eliminate signs of deterioration to persons citywide.
3. Fair Housing Services – Housing discrimination services, tenant-landlord mediation services, and education/training classes to low-income persons.

CR – 30: PUBLIC HOUSING

ACTIONS TAKEN TO ADDRESS THE NEEDS OF PUBLIC HOUSING

N/A - The City of Perris does not have any public housing.

ACTIONS TAKEN TO ENCOURAGE PARTICIPATION OF PUBLIC HOUSING RESIDENTS

N/A - The City of Perris does not have any public housing.

ACTIONS TAKEN TO PROVIDE ASSISTANCE TO TROUBLED PHA'S

N/A - The City of Perris does not have any public housing.

CR – 35: OTHER ACTIONS

ACTIONS TO REMOVE BARRIERS TO AFFORDABLE HOUSING

During FY 2013-2014, the City continued its mission to eliminate barriers to affordable housing by increasing or expanding the supply of affordable housing to low-income households. The following programs were funded to aid families in their efforts to buy housing or rehabilitate housing in order to cost burdens associated with down payment assistance and/or costly repairs:

1. First Time Homebuyer Program
2. Owner Occupied Rehabilitation Program
3. Neighborhood Stabilization Program-3

ACTIONS TO MEET UNDERSERVED NEEDS

The City of Perris continues to expended CDBG funds on a variety of activities that meet underserved needs. These programs provided new or expanded accessibility, affordability and sustainability to decent housing, improved public facilities, and a suitable living environment for low income persons. Such programs included: homeownership assistance, housing rehabilitation programs, health and public services, graffiti removal, code enforcement, and fair housing services.

ACTIONS TO REDUCE LEAD-BASED PAINT HAZARDS

The City did not apply for or receive Lead Hazard Control Grant funds in FY 2013-2014. However, as stated in the Fifth Program Year Action Plan, the City of Perris is committed to reducing lead-based paint hazards citywide with an emphasis on housing units occupied by low and moderate income households. The City participated in and supported the regional lead poisoning prevention program administered by the County of Riverside, Department of Public Health, which educates the public about the dangers of lead by conducting health education presentations and distributing health education materials; assists property owners and families in eliminating sources of lead in their homes, through testing, incentives, and home visits; and provides a Childhood Lead Poisoning Prevention Program, which provides medical testing of children for lead poisoning on a sliding fee scale based on family income and assists parents in treating children identified with lead poisoning. The City will undertake the following actions, as required for implementation of Federal housing programs:

- Conduct Inspections and Risk Assessments in conjunction with all housing programs affected by Federal Lead-Based Paint regulations at 24 CFR 35, 24 CFR 570.608 and 24 CFR 982.401.
- Remediate and/or abate lead hazards when identified.

ACTIONS TO REDUCE THE NUMBER OF POVERTY-LEVEL FAMILIES

During FY 2013-2014, the following actions were taken in an effort to assist and possibly alleviate financial hardships for persons below the poverty line:

1. The City funded public service programs or activities in order to provide free access/availability to extremely low and low-income persons, including but not limited to the youth and elderly.
2. The City funded housing programs that specifically assist low-income persons in meeting funding gaps and/or provide access to funds to improve substandard housing.

ACTIONS TO DEVELOP INSTITUTIONAL STRUCTURE

To eliminate gaps in institutional structures and enhance coordination, the City remains actively involved with internal City departments, outside agencies, and regional entities, including those that receive CDBG funding for public services, infrastructure improvements and economic development, and those involved in the Continuum of Care.

ACTIONS TO ENHANCE COORDINATION BETWEEN PUBLIC AND PRIVATE AGENCIES

In Fiscal 13-14, the City will conducted the following activities to enhance coordination and eliminate gaps in the institutional structure:

- Continue to be a member of the Housing & Homeless Coalition for Riverside County (CoC);
- Continue to work with the CoC and other agencies on regional homeless issues;
- Continue to work with the Riverside County Housing Authority to ensure consistency between Consolidated Planning and Authority Planning requirements;
- Continue to promote fair housing;
- Coordinate with the Police Department in the provision of services related to crime prevention, code enforcement and community policing and Crime Free Multi-Housing;
- Coordinate with the Public Works Department in the provision of infrastructure delivery; and
- Coordinate with the Community Services Department and external agencies in the provision of public services.

ACTIONS TO OVERCOME THE EFFECTS OF IMPEDIMENTS TO FAIR HOUSING CHOICE

Definition of Fair Housing

Fair Housing is defined as “a condition in which individuals of similar income levels in the same housing market area have a like range of choice available to them regardless of race, marital status, color, religion, ancestry, sex, sexual orientation, national origin, familial status, age, physical or mental disability, arbitrary or any other category which may be defined by law now or in the future”.

Impediments to Fair Housing Choice

Impediments are defined as:

- Any action, omission, or decision taken because of race, color, religion, sex, disability, familial status or national origin which restrict housing

choices or the availability of housing choices, or

- Any action, omission, or decision which have the effect of restricting housing choices or the availability of housing choices on the basis of race, color, religion, sex, disability, familial status, or national origin; or
- An assessment of the availability of affordable, accessible housing in a range of unit sizes.

To ensure consistency with the policies and programs recommended by the Consolidated Plan and to ensure continued compliance with the Fair Housing Certification found at 24 CFR 91.225 (a)(1), the City adheres to recommendations made in its approved Analysis of Impediments to Fair Housing Choice (AI). The City developed and Council approved a new AI for PY 14-15 in conjunction with a new Five-Year Consolidated Plan and Annual Action Plan.

CR – 40: MONITORING

MONITORING STANDARDS AND PROCEDURES

Federal programs administered and monitored by the City include the following:

- CDBG
- NSP

Monitoring Standards and Procedures

The City's Community Services Department has all administration and monitoring responsibilities for its CDBG Federal Entitlement Program. The City operates in accordance with the monitoring plan development for the CDBG Program, including an annual single audit in conformance with OMB Circular A-133.

The performance of planned activities and projects of these CDBG funds are monitored in a variety of ways, depending on the type of program and requirements and includes desk audits, telephone contact, reports, and on-site visits. The following is a description of the monitoring activities that the City conducts, in order to identify technical assistance needs and promote quality performance:

- Financial monitoring through monthly desk audits and an annual financial audit, as well as annual financial file monitoring
- Performance monitoring, including annual on-site monitoring
- Davis-Bacon Compliance monitoring, including an annual desk audit of Bid Specs and Documents

- Minority Business Enterprise/Women's Business Enterprise (MBE/WBE) contracting is encouraged for all Federally-funded contracts. Bid specifications include a questionnaire regarding business ownership. Contractor/Subcontractor information, including MBE/WBE status is collected quarterly and reported to HUD as such.
- The City of Perris supports the employment and training of low-income persons. Section 3 Compliance activities include a desk review, discussion with project managers for contracts in excess of \$100,000, and a review of the City's Section 3 Plan prior to project commencement to ensure an understanding of requirements. Section compliance is monitored through quarterly reporting from project managers.
- Continual communication and coordination with the local HUD representative located in Los Angeles

Monitoring activities are intended to be proactive so that deficiencies can be detected early and immediately corrected, and performance can be continually improved. The CDBG Program Coordinator acts as the Project Monitor and reviews all program activities on a monthly basis. Financial management activities are monitored by the CDBG Program Coordinator, the Deputy City Manager, Community Services, and the Accounting Supervisor of the Finance Department.

In addition, all project costs are paid on a reimbursement basis; not in advance. Requests for reimbursement are required to be accompanied by proper documentation so that expenditures are verified before they are paid.

Public Service agencies are required to submit a current program status report with their reimbursement requests. These program status reports are then used to input data into the IDIS system, which helps the Project Monitor to see how program goals are being met, and assists in the preparation and completion of required annual reports.

As outlined above, CDBG Program projects are required to be monitored to ensure conformance with Davis-Bacon requirements. The City requires all contractors to be licensed and checks with both the state board and HUD's debarred list on HUD's home page to ensure compliance. Applicable Performance Records are to be kept in the associated project file.

Finally, each budgeted project is reviewed for compliance with the National Environmental Protection Agency (NEPA) and California Environmental Quality Act (CEQA) regulations to determine applicability and ensure compliance. The City conducted required NEPA and CEQA reviews on all federally-funded projects during the Fourth Program Year.

The following table identifies the agencies and/or subrecipients that were monitored during FY 13-14:

CITIZEN PARTICIPATION PLAN

Summary of the Citizen Participation Process

Federal Regulations mandate a 15-day public comment period prior to submission the CAPER to HUD. The City published its notice for public comment regarding the CAPER on August 08, 2014, in the Perris Progress and the Perris City News newspaper. A copy of the public notice is attached to this Report.

Public Hearings and/or Meetings

Public hearings provide a major source of citizen input on proposed programs and activities. The City conducted a public hearing and held a public Council meeting in order to address housing and community development needs. Both were held before the proposed Consolidated Plan/Annual Plan was adopted.

CR – 45 COMMUNITY DEVELOPMENT BLOCK GRANT

CDBG PROGRAM ACCOMPLISHMENTS

The City was successful in implementing programs and activities with CDBG funds that meet goals and objectives stated in its Consolidated Plan and FY 2013-2014 Annual Action Plan. To address underserved needs and accessibility to services, high priority programs/activities were funded during FY 2013-2014 that benefit extremely low-income, low-income, and moderate-income persons. Table 1C – Statement of Specific Annual Objectives Relationship to 5-Yr Consolidated Plan Goals, provides a detail assessment on the use of CDBG funds in relation to the priorities, needs, goals, specific objectives and actual accomplishments. The City of Perris, in conjunction with outside organizations, undertook the following public service activities to meet its priorities as stated in the FY 2013-2014 Annual Action Plan of the Consolidated Plan. These activities were combined in Table 1C to reflect the total number of persons served under the public services category:

Agency	Project Activity	Goal	Actual
City of Perris	Graffiti Program	35,974 persons	35,974 persons
City of Perris	Aquatics Program	35,974 persons	35,974 persons
City of Perris	Youth Mentoring Program	111 persons	52 persons
Riverside County Fair Housing Services, Inc.	Tenant/Landlord and Fair Housing Services	175 persons	582 persons

CHANGES IN PROGRAM OBJECTIVES

During FY 2013-2014, there were no changes in program objectives.

The City continues to monitor CDBG program performance to assess whether or not changes in program objectives are necessary. Any changes in program objectives would constitute an amendment to the Consolidated Plan and Annual Action Plan.

GRANTEE'S EFFORTS CARRYING OUT PLANNED ACTIONS IN FY 2013-2014

The City continues to carry out its CDBG Program with the HUD resources indicated in the Consolidated Plan. The City provided all requested certifications of consistency in its Annual Action Plan, in a fair and impartial manner. More importantly, the City did not hinder Consolidated Plan implementation by action or willful inaction.

The City's first five-year consolidated plan was deliberately established to create a simple framework upon which a more extensive and comprehensive structure can be developed in future years. The Consolidated Plan focuses on the same types of activities and projects that comprised the City's CDBG program under the County of Riverside. Public agencies, non-profit organizations, and for-profit organizations all contribute to the provision of affordable housing, community development, and support services in Perris.

After a complete year of implemented the program, staff realized that some goals were out of reach. Thus, during FY 2010-2011 the City amended its 2009-2014 Consolidated Plan in an effort to adequately meet goals, objectives and strategies identified in the Plan.

City departments implemented the majority of the CDBG projects and programs comprising the FY 2013-2014 Annual Action Plan. A detailed assessment of the City's progress in meeting priority needs and specific objectives is included as Attachment Table 1C – Statement of Specific Annual Objectives in Relationship to 5-Year Consolidated Plan Goals.

IMPACT ON IDENTIFIED NEEDS

The strategies outlined in the Consolidated Plan and the activities undertaken during FY 2013-2014 made a tremendous impact on identified needs. CDBG funds provided availability and accessibility to housing and services that may not have ordinarily been available or available at a cost to low-income persons.

BARRIERS TO FULFILLING STRATEGIES

CDBG Program

The CDBG Program did not experience any major barriers to fulfilling the strategies identified in the FY 2013-2014 Annual Action Plan.

The greatest barrier to fulfilling strategies is the lack of available public and private financial resources. Needs identified in the Consolidated Plan include, but are not limited to: additional public services, infrastructure and facility improvements, affordable housing, senior housing, and transitional housing.

While CDBG funds have had a significant impact on meeting community development and housing needs, the demand for services is enormous. The City continues to fund those projects and activities that address the highest and greatest needs as indicated by resident input, community leaders and consultation with community stakeholders.

As FY 2013-2014 was the City's fifth and final year of program implementation; overall, major goals are on target.

ACTIONS TAKEN TO FOSTER AND MAINTAIN AFFORDABLE HOUSING

This section describes and summarizes the actions taken during FY 2013-2014 to foster and maintain affordable housing, and meet proposed goals for providing affordable housing to extremely low, low and moderate-income households. During FY 2013-2014, the City of Perris fostered and maintained the provision of affordable housing for its residents, through different programs, including the First Time Homebuyer Program, and the Owner Occupied Rehabilitation Program. These programs are summarized as follows:

FY 2013-2014 Programs Description to Foster/Maintain Affordable Housing

Program	Description
First Time Homebuyer Program (FTHB)	The First Time Homebuyer Program (FTHB) is designed to provide qualified families with down payment and closing cost assistance necessary to secure financing towards the purchase of an existing or newly constructed home. The residential units will consist of approximately forty two (42) two-bedroom units of approximately seven hundred fifty square feet (750), eighteen (18) three-bedroom units of approximately one thousand square feet (1,000). Rental of 6 units will be restricted to extremely low income households and 53 of the units will be restricted to rent to very low income households. The project was developed by Amcal Housing, Inc. and funded by a combination of sources including the former Perris Redevelopment Agency, private funding, and federal tax credits from the California Tax Credit Allocation Committee. The Mercado Apartments opened in April 2012.</p>
