NOW ROLLING

91/PERRIS VALLEY LINE

On June 6, 2016 at 4:37 am, the first Metrolink train transporting passengers from Perris to Los Angeles Union Station rolled out of the Perris – South station. The City of Perris has a viable transit option to connect our residents to Los Angeles and Orange Counties while alleviating traffic on our freeways. The new 91/Perris Valley Lines offers 3 roundtrip to Los Angeles Union via the cities of Riverside, Corona, Fullerton, Buena Park and Santa Fe Springs. Three additional roundtrips to the Riverside-Downtown station from the Perris – South station are also available. As part of the 91/Perris Valley Line project, the Perris – Downtown station was also renovated to allow passengers to board at that location. Although many of us may perceive riding a train a daunting task, it is very easy and convenient. Not only do you have luxury of relaxing on the train while someone else does the driving, it may even save you time and money!

PROPERTY MAINTENANCE:

The Property Maintenance ordinance, Chapter 7.08, was adopted by the city to provide minimum standard for the maintenance of property in the city to prevent unsafe and unsightly condition that might occur. Properties not meeting these minimum standards are considered in violation and a public nuisance.

CHECK TO AVOID THESE PROPERTY MAINTENANCE VIOLATIONS:

- Overgrown grass, weeds and other vegetation
- Trash receptacles and/or recycling containers cannot be stored on your property visible from the public right-of-way. In addition, trash receptacles and/or recycling containers cannot be stored on the public right-of-way and must be removed within 24 hours after trash pick-up.
- Debris stored on yards visible from the public street.
- Buildings or structures being constructed, enlarged, alter, repair, converted, or demolish without the proper permits.
- Campers, RVs, trailers, boats or watercraft and other mobile equipment stored in the front yard must be in working condition and parked on legally paved driveways and parking spaces and cannot overhang onto the sidewalk.
- Storage or scattering of abandoned, discarded, broken, wrecked or inoperable household furnishings, appliances, machines and tools, or similar objects of equipment.
- Vacant building or structures left unsecured, unlocked or not boarded-up correctly allowing intrusion by person or animals

WHAT CAN RESIDENTS DO TO HELP?

Each of us as a resident, property owner or business owner in the City of Perris, owe it to ourselves and to our neighbors to maintain our properties in a manner, which has a positive effect on the overall appearance of our city. No property within the city may be used or maintained in a manner, which downgrades the value, use, enjoyment or safety of one's own or surrounding property. You can help yourself and community by maintaining your property in compliance. This can only lead to improved property values and pride of ownership.

WHAT ARE THE CONSEQUENCES FOR NON-COMPLIANCE?

After a Code Compliance Officer makes an inspection, you will be given verbal or written notice to comply within specific number of days. Depending on the violation and the effort needed to correct it, you may be asked to comply immediately or given up to 30 days for compliance. If compliance is not obtained within that period, a lien may be placed on your property for non-compliance and you will be subject to an administrative citation, criminal citation and/or ordered to appear in court.
