Our next hike will trek through the beautiful rocky hills of Kabian Park, in the south side of Perris, all the way to Canyon Lake in just under 3.5 miles roundtrip. Finally, we return to the highly requested and anticipated hike up to Terri Peak in Lake Perris with an 850 foot climb and 4 mile overall hike. Those participating in any Take A Hike event will automatically be entered to win a grand prize at the end of the series.

**Cost:** $5 entry fee per vehicle at Lake Perris only.
In September 2016, the City of Perris was accepted to participate in the Healthiest Cities and Counties Challenge in order to develop practical, evidence-based strategies to improve measurable health outcomes and promote health and wellness, equity and social interaction.

For the Challenge, the City of Perris has committed to develop 31 urban community gardens that will increase its resident’s access to fresh fruits and vegetables in locations such as schools, shared spaces, and faith based organizations.

As of today, five out of sixteen sites that have joined the challenge, have been inaugurated under the Healthiest Cities and Counties Challenge:

- Columbia Elementary
- May Ranch Elementary
- Heritage High School
- Pinacate Middle School
- Triple Crown Elementary

Sites are still being accepted to join this challenge. If you would like to suggest a site, know of a shared space, or own a location where you would like to establish a satellite community garden, email us at livewell@cityofperris.org or contact Eduardo Sida at (951) 943-6100 ext. 301.

Fred T. Perris Day will be held on Saturday, January 27, 2018 at the Perris Depot located at 120 W. 4th Street in downtown Perris. The program will begin at 11:00 am. The Pioneer Family to be honored for 2018 is the Prentiss G. and Ora Lee Rabb family, who arrived in Perris in the year 1940. Many of their descendants still live in the Perris Valley and will be on hand to share their family history with you that day. Today, their grandson David Star Rabb is the City of Perris’ Mayor Pro Tem.

You are all welcome to come and enjoy the day. Tours will be given at the museum. Refreshments will be served.

RETAIL DEVELOPMENT

With recent deals being signed with Baskin Robbins, Jamba Juice, and Daniel’s Jewelers, we are excited to announce that the Perris Marketplace is now fully leased.

These three retailers are joining the impressive list of new businesses at the shopping center, and the City of Perris is looking forward to their openings in the coming months. Located at 1700 North Perris Boulevard and anchored by the Super Walmart, the Perris Marketplace is one of the City’s busiest centers and most popular spots.

Be sure to stop by and check out the new development!

FAÇADE IMPROVEMENT

The Expressway Shopping Center, located at 85 East Ramona Expressway, is getting much needed renovation!

The City’s Commercial Façade Improvement Program, administered by the Perris Community Economic Development Corporation, has finalized the agreement with the Expressway Center and the work officially began on October 30, 2017. The City is eager to see the same transformation that the Program has brought to the Downtown area, which has been completed along the Historic D Street Corridor. The Project at the Expressway Center will cover both frontages along Ramona Expressway and Perris Boulevard, and is expected to be completed by mid-2018.

YOUR NEEDS ARE OUR PRIORITY!

How do you think CDBG funding should be invested in Perris’ community and neighborhoods?

The city is in the process of developing its Assessment of Fair Housing (AFH) and the 2018-2019 Annual Action Plan. The AFH explores disparities in access to renting or purchasing a home, unmet housing needs, lack of integration, and racially or ethnically concentrated areas of poverty. The Annual Action Plan provides a 1-year roadmap for spending Community Development Block Grant (CDBG) funds on housing, human services, public infrastructure and community development activities for low and moderate income persons.

**SUS NECESIDADES SON NUESTRA PRIORIDAD!**

Como cree usted que fondos de CDBG deben ser invertidos en la comunidad y vecindarios de Perris?

La Ciudad de Perris está actualmente en el proceso de una evaluación de Vivienda Justa (AFH) y un nuevo Plan Anual para el año 2018-2019. El AFH explorará asuntos tales como la desventaja en el acceso para alquilar o comprar viviendas, necesidades de vivienda insatisfechas, faltas de integración y áreas de pobreza con concentración racial o étnicas. El Plan Annual establecerá objetivos y estrategias a 1 año, que guiarán la forma en cual se utilicen los fondos en viviendas, servicios humanos, infraestructura pública y desarrollo de actividades para la comunidad para personas de bajo ingresos.
