Water Payment Drop Box Now in Service

Perris water customers have a new way to pay their monthly bills.

 Perris Public Workers inspector Allen Yun examines a low-flow water sprinkler designed to reduce consumption at a City project on Placentia Avenue.

A payment drop box was installed this month at the City Hall Campus, allowing customers to drop their bills off 24 hours a day, weekends and holidays included.

The drop box came about as a result of a City survey of customers, who said they wanted a drop-off system that allowed them to make payments without leaving their car.

The drop box is located at the parking lot exit at 135 North D Street.

Customers are asked to leave checks only in the drop box, not cash payments.
