OFFICE OF THE MAYOR
MICHAEL M. VARGAS

February 17, 2020

Perris Community:

On behalf of the Perris City Council, I am heartbroken by the horrific crimes that have taken place today in our hometown of Perris. I have been in touch with local law enforcement officials and will continue to monitor developments. Our deepest sympathies lie with the families of the victims of these horrible crimes over the past week in Perris and we are committed to seeing those responsible for these horrific acts brought to justice.

The investigations are ongoing and in the preliminary stages and specifics are still being detailed by law enforcement. Please use caution with the spread of misinformation and report information about these crimes to the Riverside Sheriff's Office. We are confident our Sheriff's office will handle this situation in a swift and professional manner and see the individuals who committed these crimes held responsible for their actions.

Very truly yours,

Michael M. Vargas
