8:15 a.m. Adjourned to Bus

4. **BUSINESS ITEM:** A tour leaving City Hall and proceeding to North Perris and working its way back to Central and South Perris. The purpose is to review existing and proposed land use in the city in conjunction with General Plan update.

Community Development Director Gutierrez commented that while on the bus the intent was not to hold extensive discussion. The Council Members and Planning Commissioners have not had the benefit of reviewing the land use plans proposed. The General Plan Committee received the information over a month ago. Today was to point out areas and questions could be asked. However, staff wanted to make sure dialogue was not extensive towards the commissioners as they were decisions makers and the Brown Act applied.

5. **ADJOURNMENT:** By unanimous consent the bus tour concluded at 12:00 p.m.

Respectfully Submitted,

Margaret Rey, City Clerk
