

**CITY COUNCIL
AGENDA SUBMITTAL**

Meeting Date: August 11, 2015

SUBJECT: Grant History Report

REQUESTED ACTION: Receive and File

CONTACT: Ron Carr, Assistant City Manager

BACKGROUND/DISCUSSION:

At the July 14, 2015 City Council meeting a request was made that a report be prepared showing the City's grant history along with information concerning consultants and related costs.

The attached report was completed on July 23, 2015 and shows the year of the grant, the grant name, granting agency, amount requested, amount awarded, the City's contribution (if any), the grant writer, and the cost of writing the grant.

The period of time covered by this report is the previous 10 years.

BUDGET (or FISCAL) IMPACT:

The information for this report was compiled by staff. The one exception was the information related to grants originating in the City Engineer's office. The cost to compile the information for those grants was \$2,000.

CITY ENGINEER FOOTNOTES

- Award dates are approximate
- The award amount may be different from the actual for completed project
- Perris Blvd Widening (I-215 to Case Rd) - funding allocated between FY 14/15 through FY 18/19
- For all projects stated above, the funding had to be requested or applied for through local, state, and various agencies
- The cost for engineering staff to prepare the applications/documents and attend meetings is normally covered under annual engineering contract.
The total amount charged to achieve the funding for above projects is estimated between \$120,000 - \$140,000.
