In 200 words or less briefly state your Education and Qualifications:

I'm Nannette Plascencia asking for your vote for Perris City Council. I purchased a home in Perris nine years ago, but have lived in the area for most of my life. I have three children, two of which have already graduated from Val Verde Unified School District; the youngest is in junior high school.

I am employed at the local warehouse; I am a college student, a soccer coach and board member of AYSO.

As a city council member one of my main focuses will be on creating more options for our youth, this is my true passion. Our city needs to be able to provide our students with tools and knowledge to ensure better futures. Our schools need to present trade and vocational schools as a positive alternative to traditional college. Not all children are meant to go to a university, some respond better to hands on/real life learning. We need to serve all of our citizens equally.

If I am elected to city council I will fight not only for better educational options for our youth, but also for better environmental, economic, and working conditions for all the citizens of Perris.
