

# Citywide Pedestrian Improvements Project – CIP S129

## Purpose of the Project:

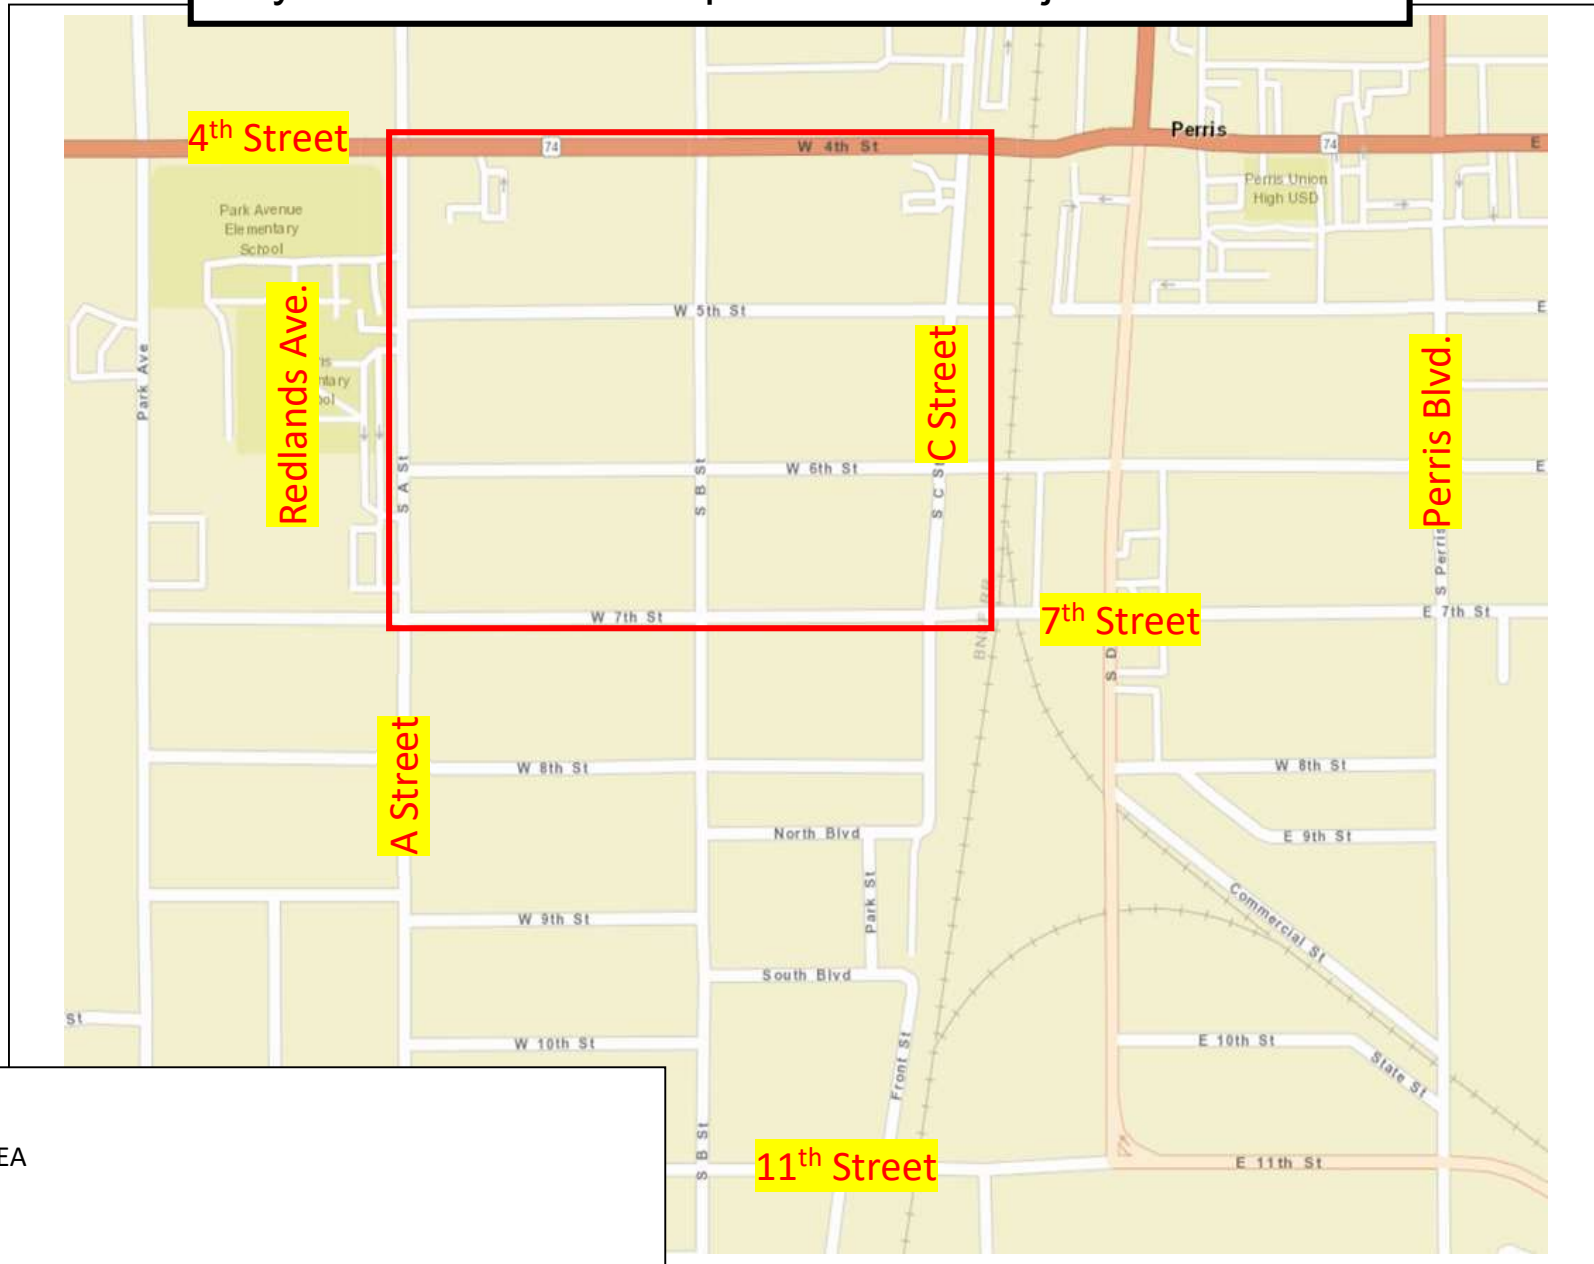

This City project will be removing and replacing sidewalk, curb ramps, curb & gutter, cross gutters and residential driveways in the Downtown Area Between 4<sup>th</sup> Street, 7<sup>th</sup> Street, A Street, and C Street. This project will improve existing pedestrian pathways throughout this area and make them ADA-compliant.

## Funding:

This project is funded by the Community Development Block Grant Program and Measure A funds.

## How long is construction going to last?

The project construction is anticipated to last 3 months.
