Mr. Phung,

I called City Hall and was provided your email.

I had some questions regarding Dynamic Meds, Inc. located at: 4605 Wade Ave.

I have received information that they are unlicensed cannabis dispensary operating in your city. I need to know if they hold any type of permit or license from your City, because they are not licensed by the Bureau of Cannabis Control. Please let me know when I can speak with you regarding this business. They could be operating illegally and we want to stop that. Please contact me at your earliest convenience.

Thanks,

Braulio Nol, Investigator #388
