NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Perris, acting in its capacity as the Legislative Body of Community Facilities District No. 2001-3 (North Perris Public Safety) of the City of Perris, California, as follows:

Section 1. That the above recitals are all true and correct.

Section 2. Written protests against the annexation of the Property to the District, or against the furnishing of specified services or the levying of a specified special tax within the District, have not been filed by fifty percent (50%) or more of the registered voters, or six (6) registered voters, whichever is greater, residing within the boundaries of the proposed annexation, nor by owners representing one-half (1/2) or more of the area of land proposed to be annexed to the District. All protests and objections, if any, are hereby overruled.

Section 3. The Legislative Body does declare the annexation of the Property to the existing District, to be known and designated as "Community Facilities District No. 2001-3 (North Perris Public Safety) of the City of Perris, Annexation No. 45." The Legislative Body hereby finds and determines that all prior proceedings taken with respect to the annexation of the Property to the District were valid and in conformity with the requirements of law, including the Act. This finding is made in accordance with the provisions of Section 53325.1 of the Act.

Section 4. The boundaries and parcels of land to be annexed and in which the public services are to be provided and on which the special taxes will be levied in order to pay the costs and expenses for said public services are generally described as all that territory proposed to be annexed to the existing District as said property is shown on a map as previously approved by the

Legislative Body, said map designated “Annexation Map No. 45 to Community Facilities District No. 2001-3, (North Perris Public Safety),” a copy of which is on file in the office of the City Clerk and shall remain open for public inspection. The map of the proposed boundaries of Annexation No. 45 to the District has been recorded in the Office of the County Recorder of Riverside County, California in Book 88, Page 6 of the Book of Maps of Assessments and Community Facilities Districts (Document Number 2021-0722884).

Section 5. The Council finds that the Services, generally described as fire protection and suppression services, and ambulance and paramedic services including all furnishings, equipment and supplies related thereto; police protection services, including but not limited to criminal justice services, including all furnishings, equipment and supplies related thereto, as set forth in Exhibit “B” hereto are necessary to meet the increased demand put upon the City as a result of the development within Annexation No. 45.

Section 6. Except where funds are otherwise available, a special tax is hereby authorized, subject to the approval of the landowners as the eligible electors of the District, to levy annually in accordance with procedures contained in the Act, a special tax within the District, secured by recordation of a continuing lien against all nonexempt real property in the District, sufficient to pay for the Services and Incidental Expenses. The rate and method of apportionment and manner of collection of the special tax within the District is described in detail in Exhibit “A” attached hereto and incorporated herein by this reference. Exhibit “A” allows each landowner within the District to estimate the maximum amount that may be levied against each parcel.

Section 7. The Rate and Method of Apportionment of the special tax is based on the expected demand that each parcel of real property within the District will place on the Services, on the cost of making the Services available to each parcel within the Property, and on other factors. The Council hereby determines the rate and method of apportionment of the special tax set forth in Exhibit “A” to be reasonable. The special tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act and such special tax is not based upon the value or ownership of real property. In the event that a portion of the property within Community Facilities District No. 2001-3 shall become for any reason exempt, wholly or partially, from the levy of the special tax specified on Exhibit “A,” the Council shall, on behalf of Community Facilities District No. 2001-3, cause the levy to be increased, subject to the limitation of the maximum special tax for a parcel as set forth in Exhibit “A,” to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the special tax revenues required for the purposes described herein. The obligation to pay special taxes may be prepaid as set forth in Exhibit “A.” Upon recordation of a notice of special tax lien pursuant to Streets and Highways Code Section 3114.5, continuing lien to secure each levy of the special tax will attach to all nonexempt parcels within the Property and the lien shall continue in force and effect until the special tax obligation is permanently satisfied and the lien canceled in accordance with the law or until collection of the special tax by the Legislative Body ceases.

Section 8. Pursuant to Section 53325.7 and 53326 of the Act, a special election is hereby called on behalf of the District on the proposition of levying the special tax on the territory within Annexation No. 45 to the District and establishing an appropriation limit therein. The proposition relating to the District authorizing the levy of the special tax on the Property and

establishing an appropriations limit shall be substantially in the form attached hereto as Exhibit "C."

Section 9. The special election for the District on the proposition of authorizing the levy of the special tax on the Property and establishing an appropriations limit shall be held on January 11, 2022.

Section 10. It is hereby found that there were not at least twelve (12) registered voters that resided within the territory of the proposed Annexation No. 45 during each of the ninety (90) days preceding the closing of the January 11, 2022 public hearing regarding the levy of the special tax on the territory within Annexation No. 45 and establishing an appropriations limit therein and, pursuant to Section 53326 of the Act, the ballots for the special election shall be distributed by personal service, or by mail, with return postage prepaid, by the Election Official, to the landowners of record within the District as of the close of the public hearing. Each landowner shall have one (1) vote for each acre or portion thereof that he or she owns within the District, as provided in Section 53326 of the Act and may return the ballot by mail or in person to the Election Official not later than 6:30 p.m. on January 11, 2022, or 6:30 p.m. on another election day mutually agreed to by the Election Official and the landowners. In accordance with Section 53326(d) of the Act, the election shall be closed and the results certified by the Election Official as soon as all qualified electors have voted.

Section 11. If two-thirds (2/3) of the votes cast upon the question of levying such special tax and establishing such appropriations limit are cast in favor of levying such special tax within the District as determined by the Legislative Body after the canvass of the returns of such election, the Legislative Body may levy such special tax within the District under the Act in the amount and for the purposes as specified in this Resolution. Such special tax may be levied only at the rate and may be apportioned only in the manner specified in this Resolution, subject to the Act, except that the special tax may be levied at a rate lower than that specified herein and the maximum annual tax rate may be lowered. Such special tax may be levied so long as it is needed to pay for the financing of the services.

Section 12. If special taxes of the District are levied against any parcel used for private residential purposes, (i) the maximum special tax rate shall not be increased over time except that it may be increased by an amount not to exceed two percent (2.00%) per year to the extent permitted in the rate and method of apportionment; (ii) such tax shall be levied in perpetuity, as further described in Exhibit "A" hereto; and (iii) under no circumstances will such special tax be increased more than ten percent (10%) as a consequence of delinquency or default by the owner of any other parcels within the District by more than ten percent.

Section 13. In the event that a portion of the property in the District shall become for any reason exempt, wholly or partially, from the levy of the special tax specified in Exhibit "A" the Council shall, on behalf of the District, increase the levy to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the required payments, subject to the maximum tax.

Section 14. The Council finds that there is not an ad valorem property tax currently being levied on property within the proposed District for the exclusive purpose of financing the provision of the same services to the territory of the District as provided by the Services.

Section 15. An appropriations limit for the District is hereby established as an amount equal to all the proceeds of the special tax collected annually and as defined by Article XIII B of the California Constitution, as adjusted for changes in the cost of living and changes in population.

Section 16. The Elections Official shall cause to be published once in a newspaper of general circulation the text of Proposition A, along with a description of the election proceedings. The publication shall also state that only the qualified electors in the District may vote on the proposition and that the canvass of the election will take place in the office of the City Clerk following the close of the election. Pursuant to the petition and request, the publication of such notice has been waived by the property owner.

Section 17. The question of levying a special tax and establishing an appropriations limit shall constitute a single election pursuant to Sections 53325.7, 53326 and 53353 of the Act for the purpose of holding said election. Following the close of the election, the election shall be canvassed at the office of the City Clerk, 101 North "D" Street, Perris, California 92570.

Section 18. The Office of the City Manager, 101 North "D" Street, Perris, California 92570, (951) 943-6100, or its designee, is designated to be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and for estimating future special tax levies pursuant to Section 53340.2 of the Government Code.

Section 19. Pursuant to and in compliance with the provisions of Government Code Section 50075.1, the Legislative Body hereby establishes the following accountability measures pertaining to the levy by the District of the Special Tax described in Section 6 above:

- A. Such Special Tax with respect to the District shall be levied for the specific purposes set forth in and Section 5 hereof and Proposition A referred to herein.
- B. The proceeds of the levy of such Special Tax shall be applied only to the specific purposes set forth in Section 5 hereof and Proposition A referred to herein.
- C. The District shall establish an account or accounts into which the proceeds of such Special Tax shall be deposited.
- D. The City Manager or Finance Director, or his or her designee, acting for and on behalf of the District, shall annually file a report with the City Council as required pursuant to Government Code Section 50075.3.

Section 20. The City Clerk is directed to certify and attest to this Resolution, and to take any and all necessary acts to call, hold, canvass and certify an election or elections on the levy of the special tax, and the establishment of the appropriation limit.

Section 21. This Resolution shall take effect immediately upon its adoption.
