NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Perris, as follows:

Section 1. That the above recitals are all true and correct.

Section 2. Pursuant to Section 53325.1(b) of the Government Code, the Council finds and determines that the proceedings prior hereto were valid and in conformity with the requirements of the Act including, without limitation, the following:

(i) Filing of a petition of a landowner requesting institution of proceedings to establish the District;

(iv) Publication and mailing of notice of public hearing on the establishment of the District and of the proposed debt issue;

(v) Conducting of a public hearing on the establishment of the District, the proposed public facilities and the incurring of the proposed debt, at which time all interested persons or taxpayers not exempt from the special tax were permitted to protest orally or in writing against the establishment of the District, were permitted to file written protests to the regularity or sufficiency of the proceedings, and any person interested, including persons owning property within the District, were permitted to appear and present any matters material to the questions set forth in the Resolution of Intention to Incur Bonded Indebtedness.

Section 3. The Report, as now submitted is hereby approved and is made a part of the record of the hearing, and is ordered kept on file with the transcript of these proceedings and open for public inspection.

Section 4. A community facilities district to be designated “Community Facilities District No. 2022-2 (Perris Logistics Center) of the City of Perris” is hereby established pursuant to the Act.

Section 5. The description and map of the boundaries of the District on file in

the City Clerk's office and as described in said Resolution of Intention and incorporated herein by reference, shall be the boundaries of the District. The map of the proposed boundaries of the District has been recorded in the Office of the County Recorder of Riverside County, California in Book 91, Pages 29-30 of the Book of Maps of Assessment and Community Facilities Districts, as Document Number 2023-0160018.

Section 6. The type of public facilities authorized to be provided within the District include certain real and other tangible property with an estimated useful life of five years or longer, including public infrastructure facilities, and other governmental facilities which the City are authorized by law to construct, acquire, own, operate or contribute revenue to, within or without the District, which is necessary to meet increased demands placed upon the City as result of development or rehabilitation occurring within the District. The public facilities are more fully described in Exhibit "B" attached hereto and by this reference incorporated herein.

Section 7. Except where funds are otherwise available, there shall be levied annually in accordance with procedures contained in the Act a special tax within the District (the "Special Tax") sufficient to pay for the costs of financing the acquisition and/or construction of the Facilities, including the principal and interest and other periodic costs on bonds or other indebtedness proposed to be issued to finance the Facilities, including the establishment and replenishment of any reserve funds, the credit enhancement fees, the costs of administering the levy and collection of the Special Tax and all other costs of the levy of the Special Tax and issuance of the bonds, including any foreclosure proceedings, architectural, engineering, inspection, legal, fiscal, and financial consultant fees, discount fees, capitalized interest on bonds, if applicable, election costs and all costs of issuance of the bonds, including, but not limited to, fees for bond counsel, disclosure counsel, financing consultants and printing costs, and all other administrative costs of the tax levy and bond issue. The Special Tax will be secured by recordation of a continuing lien against all non-exempt real property in the District. In the first year in which such a Special Tax is levied, the levy shall include a sum sufficient to repay to the City all amounts, if any, transferred to the District pursuant to Section 53314 of the Act and interest thereon. The schedule of the rate and method of apportionment and manner of collection of the Special Tax within the proposed District is described in detail in Exhibit "A", attached hereto and incorporated herein by this reference (the "Rate and Method"). The Special Tax is based upon the cost of financing the Facilities in the District, the demand that each parcel will place on the Facilities and the benefit (direct and/or indirect) received by each parcel from the Facilities.

Section 8. The maximum special tax rate shall not be increased over time except that it may be increased by an amount not to exceed two percent (2%) per year to the extent permitted in the rate and method of apportionment. Such tax shall be levied for a period not to exceed fifty (50) years commencing with Fiscal Year 2023-2024, as further described in Exhibit "A" hereto. Under no circumstances will such special tax levied in any fiscal year be increased as a consequence of delinquency or default by the owner of any other parcel within the District by more than ten percent (10%) above the amount that would have been levied in that fiscal year had there never been any such delinquency or default.

Section 9. The Special Tax is based on the expected demand that each parcel of real property within the District will place on the Facilities on the benefit that each parcel

derives from the right to access the Facilities and on other factors. The Council hereby determines that the proposed Facilities are necessary to meet the increased demand placed upon the City and the existing infrastructure in the City as a result of the development of land proposed for inclusion to the District. The Council hereby determines the Rate and Method set forth in Exhibit "A" to be reasonable. The Special Tax is apportioned to each parcel within the District on the foregoing basis pursuant to Section 53325.3 of the Act and such special tax is not based upon the value or ownership of real property. In the event that a portion of the property within the District shall become for any reason exempt, wholly or partially, from the levy of the Special Tax, the Council shall, on behalf of the District, increase the levy to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the required payments, subject to the maximum tax. The obligation to pay special taxes may be prepaid as set forth in Exhibit "A".

Section 10. Pursuant to and in compliance with the provisions of Government Code Section 50075.1, the Council hereby establishes the following accountability measures pertaining to the levy by the District of the Special Tax described in Section 7 above:

(i) Such Special Tax shall be levied for the specific purposes set forth in Section 7 hereof.

(ii) The proceeds of the levy of such Special Tax shall be applied only to the specific purposes set forth in Section 7 hereof.

(iii) The District shall establish an account or accounts into which the proceeds of such Special Tax shall be deposited.

(iv) The City Manager or the City Finance Director/Treasurer, or their designee, acting for and on behalf of the District, shall annually file a report with the Council as required pursuant to Government Code Section 50075.3.

Section 11. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the District, and this lien shall continue in force and effect until the special tax obligation is prepaid or otherwise permanently satisfied and the lien cancelled in accordance with law or until collection of the tax by the District ceases.

Section 12. The Council finds that the Facilities are necessary to meet the increased demand put upon the City as a result of the development within the District.

Section 13. The Council finds that there is not an ad valorem property tax currently being levied on property within the proposed District for the exclusive purpose of paying principal of or interest on bonds or other indebtedness incurred to finance construction of capital facilities which provide the same services to the territory of the District as provided by the Facilities.

Section 14. An appropriation limit for the District is hereby established at \$25,000,000 and as defined by Article XIII B of the California Constitution, as adjusted for changes in the cost of living and changes in population.

Section 15. Written protests against the establishment of the District, or against the furnishing of specified services or facilities or the levying of a specified special tax within the District, have not been filed by fifty percent (50%) or more of the registered voters or property owners of one-half (1/2) or more of the area of land within the District.

Section 16. The Special Tax to be levied in the District to pay for all the proposed Facilities has not been precluded by protests by owners of one-half (1/2) or more of the land in the territory included in the District pursuant to Government Code Section 53324.

Section 17. The Office of the City Manager, 101 North “D” Street, Perris, California 92570, or its designee, is designated to be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and for estimating future special tax levies pursuant to Section 53340.1 of the Government Code.

Section 18. The City Clerk is directed to certify and attest to this Resolution and to take any and all necessary acts to call, hold, canvass and certify an election or elections on the incurring of bonded indebtedness, the levy of the special tax, and the establishment of the appropriation limit.

ADOPTED, SIGNED and APPROVED this 25th day of July, 2023.

Table 1
Maximum Special Tax Rates

Land Use Type	Maximum Special Tax per Acre
Taxable Property	\$4,400

Each July 1, commencing July 1, 2024, the Maximum Special Tax rates for Taxable Property shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

B. Maximum Special Tax for Provisional Property

The Maximum Special Tax for Provisional Property commencing in Fiscal Year 2023-24 shall be \$4,400 per Acre for property. Each July 1, commencing July 1, 2024, the Maximum Special Tax rates for Provisional Property shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

4. METHOD OF APPORTIONMENT

For each Fiscal Year, commencing Fiscal Year 2023-24, the CFD Administrator shall levy the Special Tax on all Taxable Property in accordance with the following steps:

Step 1: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property in an amount up to 100% of the applicable Maximum Special Tax as necessary to satisfy the Special Tax Requirement;

Step 2: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Property.

5. COLLECTION OF SPECIAL TAXES

Collection of the Annual Special Tax shall be made by the County in the same manner as ordinary ad valorem property taxes are collected and the Annual Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Annual Special Taxes.

6. PREPAYMENT OF SPECIAL TAX OBLIGATION

A. Prepayment in Full

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344. The following definitions apply to this Section 6:

“CFD Public Facilities Costs” means \$21,000,000 or such number that (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities to be financed under the Act and financing program for CFD No. 2022-2, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more Bonds (except refunding bonds).

“Future Facilities Costs” means the CFD Public Facilities Costs minus (i) costs previously paid from the Improvement Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Improvement Fund, and (iii) monies currently on deposit in an escrow or other designated fund that are expected to be available to finance CFD Public Facilities Costs.

“Improvement Fund” means the fund (regardless of its name) established pursuant to the Indenture (and referenced in the Acquisition Agreement) or a separate account maintained by the City to hold funds, which are currently available for expenditure to acquire or construct the Facilities or pay Authorized Fees to be funded by CFD No. 2022-2.

“Outstanding Bonds” means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year excluding Bonds to be redeemed at a later date with proceeds of prior Special Tax prepayments.

“Previously Issued Bonds” means all Bonds that have been issued prior to the date of prepayment.

The Special Tax Obligation applicable to an Assessor’s Parcel of Taxable Property may be prepaid and the obligation to pay the Special Tax for such Assessor’s Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment or the delinquent special taxes are paid off concurrently with the prepayment to the satisfaction of the CFD Administrator. An owner of an Assessor’s Parcel eligible to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay, and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request, and may charge a reasonable fee for providing this service. Prepayment must be made at least 60 days prior to any redemption date provided for in the Indenture with respect to CFD No. 2022-2 Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount (defined below) shall be calculated for each applicable Assessor's Parcel or group of Assessor's Parcels as summarized below (capitalized terms as defined below):

Bond Redemption Amount
plus Redemption Premium
plus Future Facilities Prepayment Amount
plus Defeasance Amount
plus Prepayment Administrative Fees and Expenses
less Reserve Fund Credit
less Capitalized Interest Credit
Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined in Step 14 below) shall be calculated as follows:

Step No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Taxable Property, determine the Maximum Special Tax.
3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total expected Maximum Special Tax revenue for CFD No. 2022-2, excluding any Assessor's Parcels for which the Special Tax Obligation has been previously prepaid.
4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid for all applicable parcels and round that amount up to the nearest \$5,000 increment (the "**Bond Redemption Amount**").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the "**Redemption Premium**").
6. Compute the Future Facilities Costs.
7. Multiply the quotient computed pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "**Future Facilities Prepayment Amount**").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the expected redemption date for the Outstanding Bonds which, depending on the Indenture, may be as early as the next interest payment date, but

the redemption date may be any date determined by the CFD Administrator as convenient and appropriate, provided such date is permitted by the Indenture.

9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Prepayment Amount and the Prepayment Administrative Fees from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.

10. Subtract the amount computed in paragraph 9 from the amount computed in paragraph 8 (the “**Defeasance Amount**”).

11. Calculate the administrative fees and expenses of CFD No. 2022-2, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2022-2, and the costs of recording any notices to evidence the prepayment and the redemption (the “**Prepayment Administrative Fees**”).

12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment calculation date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “**Reserve Fund Credit**”). No Reserve Fund Credit shall be granted if, after the Prepayment Amount is calculated, reserve funds are below 100% of the reserve requirement.

13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “**Capitalized Interest Credit**”).

14. The amount to prepay the Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the “**Prepayment Amount**”).

15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, and 10, less the amounts computed pursuant to paragraphs 12 and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Improvement Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2022-2.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of CFD No. 2022-2 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund

established under the Indenture to redeem CFD No. 2022-2 Bonds to be used with the next prepayment of CFD No. 2022-2 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel for which the Special Tax Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

B. Partial Prepayment

The Special Tax on an Assessor's Parcel of Taxable Property may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (PE-A) \times F + A$$

These terms have the following meaning:

- PP = the partial prepayment
- PE = the Prepayment Amount calculated according to Section 6.A
- F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax Obligation
- A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax Obligation, (ii) the percentage by which the Special Tax Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2022-2 that there has been a partial prepayment of the Special Tax Obligation and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

7. TERM OF SPECIAL TAX

The Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for a period not to exceed fifty (50) Fiscal Years commencing with Fiscal Year 2023-24, provided however that the Special Tax will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on CFD No. 2022-2 Bonds have been paid and the City has not instructed the CFD Administrator to continue levying.

8. EXEMPTIONS

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, or (ii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization, (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, and (v) Lower Income Households Welfare Exemption Property, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2022-2 to less than 327.658 Acres. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2022-2 to less than 327.658 Acres shall be classified as Provisional Property and will continue to be subject to the CFD No. 2022-2 Special Taxes accordingly. Tax exempt status for the purpose of this paragraph will be assigned by the CFD Administrator in the chronological order in which property becomes eligible for classification as Exempt Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

Notwithstanding the above, the CFD Administrator will interpret any ambiguities in the provisions of this RMA to facilitate the levy of \$1,441,695.20 on the Taxable Property within CFD No. 2022-2 for Fiscal Year 2023-24.

9. APPEALS

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than twelve (12) months after first having paid the first installment of the Special Tax that is disputed. If following such consultation the CFD Administrator determines that an error has occurred, then the CFD Administrator shall take any of the following actions, in order of priority, in order to correct the error:

(i) Amend the Special Tax levy on the landowner's Assessor's Parcel(s) for the current Fiscal Year prior to the payment date,

(ii) Require the CFD to reimburse the landowner for the amount of the overpayment to the extent of available CFD funds, or

(iii) Grant a credit against, eliminate or reduce the future Special Taxes on the landowner's Assessor's Parcel(s) in the amount of the overpayment.

If following such consultation and action by the CFD Administrator the landowner believes such error still exists, such person may file a written notice of appeal with the City Council. Upon the receipt of such notice, the City Council or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. If the City Council or designee determines an error still exists, the CFD Administrator shall take any of the actions described as (i), (ii) and (iii) above, in order of priority, in order to correct the error.

The City Council or designee thereof shall interpret this Rate and Method of Apportionment of Special Tax for purposes of clarifying any ambiguities and make determinations relative to the administration of the Special Tax and any landowner appeals. The decision of the City Council or designee shall be final.
