

# CASE ROAD

## IMPROVEMENT PROJECT

## CONSTRUCTION ALERT: Wednesday, Oct. 30, 2024

### ROAD CLOSURE

Ellis Avenue will be closed 24/7 from Case Road to Redlands Avenue starting October 30, 2024, through Spring 2025

### TRAFFIC IMPACTS

Wednesday, Oct. 30, at 7 a.m. through Spring 2025

Ellis Avenue will be closed to through traffic from Case Road to Redlands Avenue.

Local traffic and emergency services will have access with minor delays.

The road closure is necessary for crews to add a traffic signal and underground detection systems in the roadway. The contractor also will reconstruct the roadway; add safety improvements at the railroad crossing; upgrade the existing electrical infrastructure; and construct recycled and potable waterlines.

### PROJECT UPDATE

#### Traffic Control

Intermittent lane closures are planned with traffic control in place on Case Road from Mapes Road to Goetz Road through the duration of the project.

#### Case Road Improvements

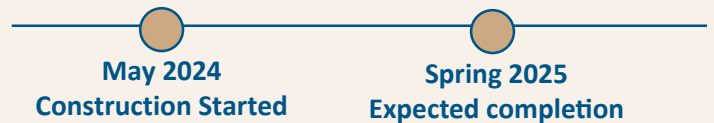

The newly constructed south side of Case Road will be paved this Fall. Traffic will shift to the newly paved road so crews can begin construction on the north side of the roadway.

The recycled waterline and potable waterline are being constructed on the south side of Case Road and are expected to be completed in Fall 2024.
