General Guidelines for ALL Sidewalk Vending	REQUIRED
<ul style="list-style-type: none">• Cannot operate within five hundred (500) feet of a certified farmers' market or swap meet during the operating hours of that certified farmers' market or swap meet.• Cannot operate within five hundred (500) feet of any public sidewalk, street, right-of-way, or other public property approved for commercial filming or a temporary event or festival.• If operating on Public Property other than City parks, the Sidewalk Vendor shall provide evidence of the Public Property owner's written authorization.• If operating in a state right-of-way, the Sidewalk Vendor shall provide evidence of the state's authorization.• Sidewalk Vending Vehicle or Pushcart shall be stored in a garage or such other licensed storage facility authorized to store Sidewalk Vending Vehicles or Pushcarts during a Sidewalk Vending Vehicle's or Pushcart's regular hours of non-operation.	<p>I have read and will follow these requirements:</p> <p>Name: _____</p> <p>Signature: _____</p>

Stationary Sidewalk Vending Requirements	REQUIRED FOR STATIONARY
<ul style="list-style-type: none">• Cannot Operate within fifty (50) feet of a fire hydrant or twenty-five (25) feet of a transit stop• Cannot Operate within fifty (50) feet of the outer edge of a driveway or vehicular entrance to public or private property in commercial, business park, mixed use, or industrial zones• Cannot Vend from the exposed street or alley and/or traffic side of the vending cart• Cannot Operate in a manner that does not maintain at least four (4) feet of clear space on a public sidewalk• Cannot Operate as a Stationary Sidewalk Vendor in exclusively residential zones;• Cannot Operate as a Stationary Sidewalk Vendor in any City park for which the City has a signed agreement for concessions that exclusively permits the sale of food or merchandise by the concessionaire(s).• Cannot Operate in violation of any other generally applicable law• Cannot Display off-site signs.	<p>I have read and will follow these requirements:</p> <p>Name: _____</p> <p>Signature: _____</p>

Roaming Sidewalk Vending Requirements	REQUIRED FOR ROAMING
<ul style="list-style-type: none">• Cannot Operate within fifty (50) feet of a fire hydrant or twenty-five (25) feet of a transit stop• Cannot Operate within fifty (50) feet of the outer edge of a driveway or vehicular entrance to public or private property in commercial, business park, mixed use, or industrial zones• Cannot Operate within twenty-five (25) feet of the outer edge of a driveway or vehicular entrance to public or private property in residential zones• Cannot Vend from the exposed street or alley and/or traffic side of the vending cart or vehicle• Cannot Vend while parked or stopped illegally• Cannot Vend from any street parking space other than a space parallel to the curb• Cannot Operate in a manner that does not maintain (4) feet of clear space on a public sidewalk• Cannot Operate in any manner or location that blocks any citizen or service entry or exit from any business or residence• Cannot Display off-site signs. No signs are allowed, except those approved in the application which identify the name of the product or the name of the vendor.	<p>I have read and will follow these requirements:</p> <p>Name: _____</p> <p>Signature: _____</p>

Location Review

	Street Address or Cross Streets	Planning Approval
Location 1:		<input type="checkbox"/>
Location 2:		<input type="checkbox"/>
Location 3:		<input type="checkbox"/>
Location 4:		<input type="checkbox"/>

- To gain approval, the locations need to be provided via image/picture.
- A good way to do this is to utilize Google Maps or Bing Maps.
- Please place an **X** or **O** at the location you wish to operate at.
- Keep in mind distance requirements on page above (bus stop, driveway, fire hydrant, etc.)
- Must be on a DEVELOPED sidewalk and/or DEVELOPED LOT.
- IF on private property (non-sidewalk) the property owner will need to provide approval to allow you to setup on their property. No approval will be given without this.
- Parking along the street (if allowed) or within a shopping center is REQUIRED. No parking on a vacant lot for customers is allowed.

EXAMPLE OF ACCEPTABLE LOCATION
