

**CITY OF PERRIS
MAINTENANCE DISTRICT NO. 84-1**

**ANNUAL ENGINEER'S REPORT
FISCAL YEAR 2013/2014
April 9, 2013**

AGENCY: City of Perris

PROJECT: Maintenance District No. 84-1

**TO: City Council
City of Perris
State of California**

REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to the direction from the City Council, submitted herewith is the "Report," consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the **STATE OF CALIFORNIA**, being the "Landscaping and Lighting Act of 1972", as amended, commencing with Section 22500. This "Report" is applicable for the ensuing 12-month period, being the fiscal year commencing July 1, 2013 to June 30, 2014.

PART 1. Plans and Specifications of the improvements to be maintained and/or improved for the fiscal year. The plans and specifications show and describe the existing improvements, and are sufficient in showing and describing the general nature, location and extent of the improvements.

PART 2. An Estimate of the costs of the improvements to be maintained and/or improved for the mentioned fiscal year. This estimate has been reviewed and approved by the Finance Department.

PART 3. An Assessment Roll showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries as shown on the below-referenced Diagram.

PART 4. A Diagram of the Maintenance District. Said Diagram shall show the exterior boundaries of the District and the boundaries of any zones within the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the fiscal year to which the "Report" applies.

Executed this 9th day of April, 2013.

HABIB M. MOTLAGH
City Engineer
CITY OF PERRIS
STATE OF CALIFORNIA

RON CARR
Assistant City Manager/
Finance Director
CITY OF PERRIS
STATE OF CALIFORNIA

Final approval, confirmation and levy of the annual assessment and all matters in the Engineer's "Report" were made on the 11th day of June, 2013 by adoption of Resolution No. _____ of the City Council.

JUDY L. HAUGHNEY
City Clerk
CITY OF PERRIS
STATE OF CALIFORNIA

A copy of the Assessment Roll and Engineer's "Report" were filed in the Office of the City Clerk on the 9th day of April, 2013.

JUDY L. HAUGHNEY
City Clerk
CITY OF PERRIS
STATE OF CALIFORNIA

Part 1
Plans and Specifications

Maintenance District No. 84-1
City of Perris

Generally, the work to be performed consists of the energy and maintenance costs of approximately 3,549 street lights and 49 traffic signals, all located within the City of Perris.

The existing street light improvements, as shown in the Street Light Atlas Maps, are owned by the Southern California Edison Company. Said Atlas is on file in the City of Perris Office of Community Development and is made a part of this report to the same extent as if said documents were attached hereto.

The traffic signals to be maintained and operated are owned by the City of Perris. The location of the traffic signals to be maintained and operated, including future signals, is as follows:

1. 4th Street & D Street
2. Case Road/11th Street and D Street (future)
3. Case Road and entry to PM 33266 (future)
4. Citrus Avenue and Evans Road (future)
5. Ethanac and Case Roads

6. Ethanac and I-215 – southbound
7. Ethanac and Trumble Roads
8. Evans Road & Anira Court
9. Evans Road & Kestral Gate
10. Evans Road & Sparrow Way

11. Goetz Road and Cai Court
12. Goetz Road and Case Road
13. Goetz Road and Ellis Avenue (future)
14. Goetz and Ethanac Roads
15. Goetz Road and Fieldstone Drive (future)

16. Goetz Road and Monument Parkway
17. Harley Knox Boulevard and Indian Avenue
18. Harley Knox Boulevard and Western Way
19. Mapes and Trumble Roads (future)
20. May Ranch Parkway and Evans Road

21. Nuevo and Dunlap Roads
22. Nuevo Road and El Nido Avenue (future)
23. Nuevo and Evans Roads
24. Nuevo Road and Old Nuevo Road and Perris Plaza
25. Nuevo Road and Redlands Avenue

26. Nuevo Road and Towne Centre and Perris Plaza
27. Nuevo Road and Wilson Avenue
28. Perris Boulevard and Case Road
29. Perris Boulevard and Citrus Avenue
30. Perris Boulevard and Crossroads Court and Perris Plaza

31. Perris Boulevard and Dawes Street
32. Perris Boulevard and Gallant Fox
33. Perris Boulevard and Jarvis Street
34. Perris Boulevard and Markham Street
35. Perris Boulevard and Mildred Street

36. Perris Boulevard and Morgan Street
37. Perris Boulevard and Harley Knox Boulevard
38. Perris Boulevard and Orange Avenue
39. Perris Boulevard and Perry Street
40. Perris Boulevard and Placentia Avenue

41. Perris Boulevard and Ramona Expressway
42. Perris Boulevard and Rider Street
43. Perris Boulevard and Sinclair
44. Perris Boulevard and Spectrum Street
45. Perris Boulevard and Walnut Street (future)

46. Ramona Expressway and Bradley Road

Part 3
Assessment Roll

Maintenance District No. 84-1
City of Perris

I do hereby assess and apportion the total amount of the costs and expenses upon the several parcels of land within said Maintenance District liable therefore and benefited thereby, in proportion to the estimated benefits that each parcel receives, respectively, from said maintained works of improvement and appurtenances as established in the formation of said Maintenance District.

All of the parcels within Maintenance District 84-1 are located within the City of Perris and are approved developments or are in the final stages of obtaining approval for a proposed development. As a condition of approval, the developer is required by the City to provide certain standard street lighting and traffic control for the entire area within the development; and the energy and maintenance costs for the initial 18-month period. No area or portion thereof is assessed prior to the completion of the initial 18-month period for street lights within the respective development.

The Maintenance District provides funding for the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of the installed street lights and traffic signals. These services and materials include the furnishing of electric current; systems management including master planning and location requirements, processing of Edison contracts and payments, processing of traffic signal maintenance contracts and payments, and the maintenance of atlas maps. The tax roll reserve is an advance for a portion of the estimated costs of servicing and maintenance prior to the receipt of tax collections from the County of Riverside. Incidental costs include City administration, engineering and county collection expenses.

Assessment Criteria: The improvements and annexation into Maintenance District No. 84-1 are required for the approval of, and as a consequence of, new development, and thus benefit the respective developments. The lighting is of benefit to abutting parcels as it provides increased property protection, personal safety, visibility, traffic safety, and enhances those areas fronting upon the illuminated street. The traffic signals provide for safety and increases efficiency for the circulation of traffic.

The method of assessment is based on units, with a residential dwelling or condominium equal to one benefit unit. The relationship between residential lots and apartments and commercial/manufacturing has been established at 4.2 residential lots to one acre based on the general density of the City as a whole. Pending the recordation of final maps, the benefit was assessed according to the residential lots or nonresidential acreage within the proposed development. All assessed parcels are in Benefit Zone 1 and all non-assessed parcels are in Benefit Zone 2.

The lighting and the orderly circulation of traffic directly benefits the developments within the Maintenance District. Any share of the benefits received that does not provide a special benefit to the assessed properties is a general benefit provided by the improvements. The cost of the general benefit is not to be assessed to the properties in the district.

The cost of the general benefit is to be contributed by the City. This cost for lights is equal to the unit cost difference between a 9,500 lumen light and a 22,000 (or greater) lumen light. A 9,500 lumen light is the standard required on a local street. Other streets require a standard greater than 9,500 lumens in order to service a capacity greater than the local traffic.

The cost of the general benefit provided by the traffic signals is equal to the proportionate share of the total average daily trips (ADTs) that do not originate or depart from the areas within the Maintenance District. For the purposes of this report, the general benefit share of the total ADTs will be referred to as "pass-through" ADTs.

For example, if the total ADTs for a given street equals 100 ADTs and the pass-through ADTs equal 20 ADTs, then the general benefit cost for the traffic signal(s) on that given street would be 20% of the total yearly cost.

An additional City contribution is to be made for the general benefit's share of the system management expenses. The general benefit's share of the system management expenses is equal to the general benefit's share of the total energy and maintenance costs.

The dollar per assessment unit value for Fiscal Year 2013/2014 is as follows:

$$\frac{\text{Total Assessment}}{\text{Total Units}} = \frac{\$ 805,249.70}{17,399.60} = \$ 46.28$$

For the specific assessment on each parcel, reference is made to the Assessment Roll on file with the City Clerk, which is made a part of this Report to the same extent as if attached hereto.
