

RESOLUTION NUMBER 5257

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
PERRIS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA,
ADOPTING A LIST OF PROJECTS FUNDED BY SB 1: THE
ROAD REPAIR AND ACCOUNTABILITY ACT**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1 by resolution, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City, will receive and an estimated \$3.1 million in RMRA funding in Fiscal Year 2018-19 from SB 1; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate various streets throughout the City this year and similar roadway rehabilitation and enhancement projects into the future; and

WHEREAS, without revenue from SB 1, the City would have limited funds to maintain City streets and projects would need to be delayed; and

WHEREAS, if the Legislature and Governor failed to act, city streets and county roads would have continued to deteriorate, having many and varied negative impacts on our community; and

WHEREAS, cities and counties own and operate more than 81 percent of streets and roads in California, and from the moment we open our front door to drive to work, bike to school, or walk to the bus station, people are dependent upon a safe, reliable local transportation network; and

WHEREAS, modernizing the local street and road system provides well-paying construction jobs and boosts local economies; and

WHEREAS, the local street and road system is also critical for farm to market needs, interconnectivity, multimodal needs, and commerce; and

WHEREAS, police, fire, and emergency medical services all need safe reliable roads to react quickly to emergency calls and a few minutes of delay can be a matter of life and death; and

WHEREAS, maintaining and preserving the local street and road system in good condition will reduce drive times and traffic congestion, improve bicycle safety, and make the pedestrian experience safer and more appealing, which leads to reduce vehicle emissions helping the State achieve its air quality and greenhouse gas emissions reductions goals; and

WHEREAS, restoring roads before they fail also reduces construction time which results in less air pollution from heavy equipment and less water pollution from site run-off; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PERRIS DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The foregoing recitals are incorporated herein as if set forth in full

Section 2. The City Council does hereby authorize and order The City Council is hereby adopting the following list of projects planned to be funded with Road Maintenance and Rehabilitation Account revenues:
