WHEREAS, the City's Development Impact Fees consist of seven separate components: (1) Police; (2) Fire; (3) Community Amenities; (4) Government Services; (5) Parks; (6) Transportation; and (7) Administration (collectively, "Public Facilities"); and

WHEREAS, the City's Development Impact Fees may be established and adjusted by Resolution of the City Council from time to time in accordance with the procedures set forth in state law; and

WHEREAS, in order to stimulate new development in Perris and improve housing affordability, the City Council now desires to extend a temporary reduction of Development Impact Fees levied for all types of new construction; and

WHEREAS, a reduction in a governmental funding mechanism, which does not involve any commitment to any specific project, is not a "project" pursuant to the terms of the California Environmental Quality Act; and

WHEREAS, this matter was duly agendized and considered by City Council in accordance with Government Code Sections 66016 and 66018, all written and oral testimony received at the meeting and the staff report was reviewed and considered by the City Council, and all persons appearing in favor of or in opposition of the recommendation to adopt this Resolution were given the opportunity to be heard in connection with this matter.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF PERRIS HEREBY FINDS, DETERMINES, AND RESOLVES AS FOLLOWS:

Section 1. Recitals Incorporated. The foregoing Recitals are incorporated herein as if set forth in full.

Section 2. California Environmental Quality Act. The City Council has reviewed and considered the environmental consequences of this project prior to taking action on the applications. Based on the analysis and the accompanying environmental information, the Council finds that:

- A. Reduction of a governmental funding mechanism, which does not involve any commitment to any specific project, is not a “project” pursuant to the terms of the California Environmental Quality Act.
- B. Reducing the existing Development Impact Fees would not result in a significant effect on the environment.
- C. Determinations of the City Council reflect the independent judgment of the City.

Section 3. Development Impact Fees -- Residential. Effective July 1, 2010, the Development Impact Fees for new residential development projects shall be the Fees listed in the Residential Development Impact Fee Table attached hereto as Exhibit “A” and incorporated herein by reference. The Development Impact Fees for new residential development projects shall be automatically increased without further action by the City on July 1, 2011, as shown in the Residential Development Impact Fee Table.

Section 4. Development Impact Fees – Commercial/Industrial. Section 5. Use of Development Impact Fees. The Development Impact Fees imposed and collected by the City shall be used to fund the Public Facilities in accordance with the Mitigation Fee Act, Municipal Code Section 19.68.020, and this Resolution, and shall not be used to correct current deficiencies in public facilities or to make improvements for existing development.

Section 6. Application of fees. The reduced Development Impact Fees imposed herein shall apply to all single-family, multiple-family residential, commercial and industrial projects for which building permits have not been issued prior to July 1, 2010.

Section 7. Pre-Payment of Development Impact Fees. Property owners, developers, contractors, and their representatives have the option of prepaying Development Impact Fees under the terms enumerated herein, provided that such prepayment does not extend the term of any development entitlement, nor shall such prepayment be refunded at any time.

Section 8. Administrative Appeal Procedures. All determinations as to whether a development project or applicant is subject to or has met the requirements of this Resolution shall be made in writing by the Development Services Director upon request, and shall be appealable to the City Manager, whose decision shall be final. A written request for a determination must be submitted in writing to the Development Services Director along with all relevant information supporting the request. The Development Services Director shall make a determination within 14 days after receiving a written request, although such time may be extended if the Development Services Director requires the submittal of additional information necessary to make a determination.

Section 9. Severability. If any section, subsection, subdivision, sentence, clause, phrase or portion of this Resolution is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Resolution. The City Council hereby declares that it would have adopted this Resolution, and each section, subsection, subdivision, sentence, clause, phrase, or portions thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases or portions thereof be declared invalid or unconstitutional.
