The special tax within the District is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act, and such special tax is not based upon the value or ownership of real property. In the event that a portion of the property within the District shall become, for any reason, exempt, wholly or partially, from the levy of the special tax specified on Exhibit "A", the Council shall, on behalf of the District, cause the levy to be increased, subject to the limitation of the maximum special tax for a parcel as set forth in Exhibit "A", to the extent necessary, upon the remaining property within the District which is not delinquent or exempt, in order to yield the special tax revenues required for the purposes described herein. The obligation to pay special taxes may be prepaid as set forth in Exhibit "A."

**Section 15.** A special election is hereby called for the District on the Propositions set forth in Section 10 hereinabove.

**Section 16.** The Clerk shall hand deliver or mail the ballots to the landowner on June 12, 2007.

**Section 17.** The time for notice having been waived by all of the qualified electors, the date of the special election for the District on the combined Propositions shall be on the 12<sup>th</sup> day of June, 2007. The requirements of Section 53326 of the Government Code having been waived by the landowner, the ballots for the special election shall be personally delivered or mailed to the landowner within the District.

**Section 19.** Notice of said election and written arguments for or against the measures have been waived by the landowner.

**Section 20.** The District shall constitute a single election precinct for the purpose of holding said election.

**Section 21.** The Council hereby directs that the election be conducted by the City Clerk of the City of Perris, as the elections official.

**Section 22.** The City Clerk shall certify the adoption of this Resolution.

**ADOPTED, SIGNED and APPROVED** this 12<sup>th</sup> day of June, 2007.

**Table 1  
Maximum Special Tax Rates  
Fiscal Year 2007-2008**

<b>Land Use Class</b>	<b>Building Square Footage</b>	<b>Maximum Special Tax</b>
1	Less than 2,000 Sq. Ft.	\$2,188 per Residential Unit
2	2,000 – 2,199 Sq. Ft.	\$2,385 per Residential Unit
3	2,200 – 2,399 Sq. Ft.	\$2,483 per Residential Unit
4	2,400 – 2,599 Sq. Ft.	\$2,581 per Residential Unit
5	2,600 – 2,799 Sq. Ft.	\$2,670 per Residential Unit
6	2,800 Sq. Ft. and Greater	\$2,837 per Residential Unit

Each July 1, commencing July 1, 2008, the Maximum Special Tax for Developed Property shall be increased by two percent (2.0%) of the amount in effect in the prior Fiscal Year.

**B. Provisional Undeveloped Property and Undeveloped Property**

The Maximum Special Tax for Provisional Undeveloped Property and Undeveloped Property shall be \$14,293 per Acre for Fiscal Year 2007-2008. On July 1<sup>st</sup> of each Fiscal Year, commencing July 1, 2008, the Maximum Special Tax for Provisional Undeveloped Property and Undeveloped Property shall increase by two percent (2.0%) of the amount in effect in the prior Fiscal Year.

#### **4. METHOD OF APPORTIONMENT**

For each Fiscal Year, commencing Fiscal Year 2007-2008, the CFD Administrator shall calculate the Annual Special Tax on all Taxable Property in accordance with the following steps:

Step 1: The Annual Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property in an amount up to 100% of the applicable Maximum Special Tax as necessary to satisfy the Special Tax Requirement;

Step 2: If additional monies are needed to satisfy the Special Tax Requirement after Step 1 has been completed, the Annual Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax;

Step 3: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the Annual Special Tax shall be levied in equal percentages on each Assessor's Parcel of Provisional Undeveloped Property at up to 100% of the Maximum Special Tax for Provisional Undeveloped Property.

Notwithstanding the above, under no circumstances will the Annual Special Tax levied against any Assessor's Parcel of Developed Property for which an occupancy permit for private residential use has been issued be increased from the previous Fiscal Year by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2006-3, except for those Assessor's Parcels of Developed Property whose owners are also delinquent or in default on their Special Tax payments for one or more properties within CFD No. 2006-3.

#### **5. BACKUP SPECIAL TAX**

The Maximum Special Taxes set forth in Section 3 were calculated based on the Expected Land Uses at CFD Formation. The CFD Administrator shall review all applicable Final Subdivision Maps and the Development Plan of CFD No. 2006-3 to confirm that the Final Subdivision Maps and Development Plan reflect the number and size of Residential Units that were anticipated at the time of CFD Formation. The Developer and/or Builder shall file an amended Development Plan with the City after CFD Formation any time there is a change in the number and/or size of Residential Units.

##### **Prior to Final Bond Sale**

If, prior to the issuance of the Final Bond Sale, a change to the Expected Land Uses ("Land Use/Entitlement Change") is submitted by the Developer or Builder that will result in a reduction in the Expected Maximum Special Tax Revenues, or a Mandatory Maximum Special Tax Reduction is applied pursuant to Section 8 of this Amended and Restated Rate and Method of Apportionment, or any combination thereof, no action shall be required pursuant to this Section 5, provided that the reduction in Expected Maximum Special Tax Revenues does not reduce the amount of Maximum Special Taxes, less Administrative Expenses for each Fiscal Year that may be levied on Taxable Property, to less than 1.1 times

the annual Debt Service on all Outstanding Bonds. The CFD Administrator shall update Exhibit A to show the reduced Expected Maximum Special Tax Revenues, and the reduced Expected Maximum Special Tax Revenues shall be the amount used by the City to make future decisions with respect to Bonds.

### **Subsequent to Final Bond Sale**

If a proposed Land Use/Entitlement Change or Development Plan submitted by the Developer or Builder would reduce the amount of Maximum Special Taxes, less Administrative Expenses for each Fiscal Year that may be levied on Taxable Property, to less than 1.1 times the annual Debt Service on all Outstanding Bonds, the following steps shall be applied:

Step 1: By reference to Exhibit A (which shall be updated by the CFD Administrator in accordance with this Section 5 each time a Land Use/Entitlement change is processed, the Development Plan is changed, or a Mandatory Maximum Special Tax Reduction is applied) and by computing the Maximum Special Tax rates in accordance with Section 3 for the current Fiscal Year, the CFD Administrator shall calculate the Expected Maximum Special Tax Revenues for CFD No. 2006-3.

Step 2: The CFD Administrator shall calculate the Maximum Special Tax revenues that could be collected from property in the CFD if the Land Use/Entitlement Change is approved or the Development Plan is changed (“Proposed Maximum Special Tax Revenues”).

Step 3: If the amount determined in the second step is higher than that calculated in the first step, the Land Use/Entitlement Change may be approved or the Development Plan may change without further action. If the revenues calculated in Step 2 are less than those calculated in Step 1, the Developer or Builder shall pay a one-time Backup Special Tax in an amount equal to the difference in the Maximum Special Tax Revenues calculated in Steps 1 and 2, utilizing the methodology set forth in Section 7. The Backup Special Tax required by this Step shall be paid prior to the approval of the proposed Land Use/Entitlement Change or the issuance of additional building permits.

If multiple Land Use/Entitlement Changes are proposed at one time, the CFD Administrator may consider the combined effect of all Land Use/Entitlement Changes to determine if a reduction in Expected Maximum Special Tax Revenues necessitates implementation of Step 3. If the CFD Administrator determines that there is a reduction in Expected Maximum Special Tax Revenues, and all of the Land Use/Entitlement Changes are being proposed by the same property owner, the CFD Administrator shall determine the amount to be prepaid (pursuant to Step 3) by analyzing the combined effects of all of the proposed Land Use/Entitlement Changes. Notwithstanding the foregoing, if the CFD Administrator analyzes the combined effects of all the proposed Land Use/Entitlement changes, and the City subsequently does not approve any one or more of the proposed Land Use/Entitlement Changes, then the CFD Administrator shall

again apply the three steps set forth above to determine the combined effect of the multiple Land Use/Entitlement Changes that were approved simultaneously by the City.

## 6. COLLECTION OF SPECIAL TAXES

Collection of the Annual Special Tax shall be made by the County in the same manner as ordinary *ad valorem* property taxes are collected, and the Annual Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as *ad valorem* taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Special Taxes.

## 7. PREPAYMENT OF SPECIAL TAX OBLIGATION

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344. Prepayment is permitted only under the conditions set forth in this Section 7.

The following definitions apply to this Section 7:

**“CFD Public Facilities Costs”** means \$5,602,652 in 2006 dollars, which shall increase by the Construction Inflation Index on July 1, 2007, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities authorized to be financed for CFD No. 2006-3, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more CFD No. 2006-3 Bonds (except refunding bonds) to be supported by Special Taxes.

**“Construction Fund”** means the fund (regardless of its name) established pursuant to the Indenture to hold funds which are currently available for expenditure to acquire or construct the facilities or pay fees.

**“Construction Inflation Index”** means the annual percentage change in the *Engineering News-Record* Building Cost Index for the City of Los Angeles, measured as of the Calendar Year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the *Engineering News-Record* Building Cost Index for the City of Los Angeles.

**“Future Facilities Costs”** means the CFD Public Facilities Costs minus (i) costs previously paid from the Construction Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Construction Fund, and (iii) monies currently on deposit in an escrow or other earmarked fund that are expected to be available to finance CFD Public Facilities Costs.

**“Outstanding Bonds”** means all Previously Issued Bonds which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year,

excluding Bonds to be redeemed at a later date with proceeds of prior prepayments of Maximum Special Taxes.

**“Previously Issued Bonds”** means all CFD No. 2006-3 Bonds that have been issued prior to the date of prepayment.

**A. Prepayment in Full**

The Special Tax Obligation applicable to an Assessor’s Parcel may be prepaid and the obligation of the Assessor’s Parcel to pay any Special Tax permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay and the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. Prepayment must be made more than 60 days prior to any redemption date for the CFD No. 2006-3 Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Prepayment Amount
plus	Defeasance Amount
plus	Prepayment Administrative Fees and Expenses
less	Reserve Fund Credit
less	<u>Capitalized Interest Credit</u>
Total: equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

**Paragraph No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.
2. For Assessor’s Parcels of Developed Property, determine the Maximum Special Tax. For Assessor’s Parcels of Undeveloped Property for which a building permit has been issued, compute the Maximum Special Tax for that Assessor’s Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor’s Parcel.

3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total estimated Maximum Special Taxes for CFD No. 2006-3 based on the Developed Property Special Taxes which could be levied in the current Fiscal Year on all expected development through build-out of CFD No. 2006-3 as determined by the CFD Administrator, excluding any Assessor's Parcels for which the Special Tax Obligation has been prepaid.
4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the quotient computed pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Prepayment Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Prepayment Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
10. Take the amount computed pursuant to paragraph 8 and subtract the amount computed pursuant to paragraph 9 (the "Defeasance Amount").
11. Verify the administrative fees and expenses of CFD No. 2006-3, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2006-3, and the costs of recording any notices to evidence the prepayment and the redemption (the "Prepayment Administrative Fees and Expenses").
12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement.

13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).
14. The Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the “Prepayment Amount”).
15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, and 10, less the amounts computed pursuant to paragraphs 12, and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2006-3.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of CFD No. 2006-3 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem CFD No. 2006-3 Bonds to be used with the next prepayment of CFD No. 2006-3 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel that is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor’s Parcel, and the Special Tax Obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the maximum annual Debt Service on all Outstanding Bonds.

**B. Partial Prepayment**

The Special Tax on an Assessor’s Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 7.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

- PP = the partial prepayment
- P<sub>E</sub> = the Prepayment Amount calculated according to Section 7.A.
- F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax, (ii) the percentage by which the Special Tax shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 7.A., and (ii) indicate in the records of CFD No. 2006-3 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section 3.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the amount of Maximum Special Taxes less Administrative Expenses for each Fiscal Year that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the annual Debt Service on all Outstanding Bonds.

## **8. MANDATORY MAXIMUM SPECIAL TAX REDUCTION**

Prior to the issuance of Bonds, the Property Tax Burden shall be calculated pursuant to the Land Secured Financing Policy adopted pursuant to City Council Resolution in effect at the time of CFD Formation (the "Goals and Policies") on Developed Property by the CFD Administrator. The Maximum Special Tax on Developed Property set forth in Section 3.A of this Amended and Restated Rate and Method of Apportionment shall be reduced if it is reasonably determined by the CFD Administrator that the Property Tax Burden of any Residential Unit exceeds the maximum level allowed in the Goals and Policies.

If the Mandatory Maximum Special Tax Reduction is implemented, then the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the lower Maximum Special Taxes.

## **9. TERM OF SPECIAL TAX**

The Annual Special Tax shall be levied for a period of thirty-five (35) years after the last series of Bonds has been issued, but shall not be levied for a period to exceed forty (40) Fiscal Years commencing with Fiscal Year 2007-2008.

## **10. EXEMPTIONS**

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, (ii) Assessor's Parcels of Property Owner Association Property, (iii) Assessor's Parcels which are used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iv) Assessor's Parcels developed or planned to be developed exclusively for any type of non-residential use, or (v) Assessor's Parcels with public utility easement by the restriction, as determined reasonably by the CFD Administrator, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2006-3 to less than 22.95 acres of Acreage. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2006-3 to less than 22.95 acres of Acreage, shall be classified as Provisional Undeveloped Property and will continue to be subject to the CFD No. 2006-3 Special Taxes accordingly. Tax-exempt status for the purpose of this paragraph will be assigned by the CFD Administrator in the chronological order in which property becomes eligible for classification as Exempt Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 10 above that would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

## **11. APPEALS**

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than twelve (12) months after first having paid the first installment of the Special Tax that is disputed. If, following such consultation, the CFD Administrator determines that an error has occurred, the CFD Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If, following such consultation and action, if any, by the CFD Administrator, the landowner believes such error still exists, such person may file a written notice with the City Manager or designee of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of such notice, the City Manager or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. The City Manager or designee thereof shall interpret this Amended and Restated Rate and Method of Apportionment and make determinations relative to the administration of the Special Tax and any landowner appeals as herein specified. The decision of the City Manager or designee shall be final and binding as to all persons.
