**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
PERRIS, COUNTY OF RIVERSIDE, STATE OF
CALIFORNIA, SUPPORTING RE-DESIGNATION OF THE
RIVERSIDE COUNTY RECYCLING MARKET
DEVELOPMENT ZONE**

WHEREAS, the California Public Resources Code Section 42010 provides for the establishment of the Recycling Market Development Zone program throughout the State to provide incentives to stimulate development of post-consumer and secondary materials markets for recyclables; and

WHEREAS, the Riverside County Recycling Market Development Zone (RMDZ) includes designated areas in the cities of Coachella, Indio, Cathedral City, Perris, Moreno Valley, San Jacinto, Hemet, and unincorporated areas of Riverside County; and

WHEREAS, cities and counties must meet a fifty (50) percent reduction in landfill waste disposal as mandated in the California Integrated Waste Management Act; and

WHEREAS, the Riverside County RMDZ is dedicated to establishing, sustaining and expanding recycling-based manufacturing businesses, which is essential for market development and to assist local jurisdiction to meeting the established landfill reduction goals; and

WHEREAS, the Riverside County RMDZ has been administered by Riverside County since its inception; and

WHEREAS, the Riverside County RMDZ designation will expire on August 31, 2003 unless re-designated by the California Integrated Waste Manager Board (CIWMB); and

WHEREAS, the City of Perris still desires existing and new recycling-based manufacturing businesses locating within the region to be eligible for the technical and financial assistance associated with the RMDZ program; and

WHEREAS, the re-designation of the Riverside County RMDZ is still necessary to facilitate local and regional planning, coordination, support of existing recycling-based manufacturing businesses, as well as attract private sector recycling business investments to the region; and

WHEREAS, the current and proposed waste management practices and conditions are favorable to the development of post-consumer and secondary waste materials markets; and

WHEREAS, the California Legislature has defined environmental justice as “the fair treatment of people of all races, cultures, and incomes with respect to the development,

adoption, implementation, and enforcement of environmental laws, regulations, and policies” (Government Code Section 65040.12(e), and has directed the California Environmental Protection Agency to conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the state (Public Resources Code Section 71110(a); and

WHEREAS, the California Integrated Waste Management Board, in its Strategic Plan, has adopted a goal to continuously integrate environmental justice concerns into all of its programs and activities;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PERRIS RESOLVES AS FOLLOWS:

Section 1. Approves the submittal of a Recycling Market Development Zone re-designation application to include the cities of Coachella, Indio, Cathedral City, Perris, Moreno Valley, San Jacinto, Hemet, and unincorporated areas of Riverside County.

Section 3. That the re-designation is necessary to continue to assist in attracting private sector recycling business investments to the area.

Section 4. That the current and proposed waste management practices and conditions are favorable to the development of post-consumer waste materials markets.
