

RESOLUTION NUMBER 2900

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
PERRIS, COUNTY OF RIVERSIDE STATE OF
CALIFORNIA, REGARDING PARTICIPATION IN THE
TRANSPORTATION UNIFORM MITIGATION FEE (TUMF)**

WHEREAS, the City Council of the City of Perris recognizes significant growth in western Riverside County is projected to occur; and

WHEREAS, the long-term forecast of western Riverside County includes an additional 1,700,000 people, 580,000 households, and 840,000 employees; and

WHEREAS, the future development within the western county sub region over the long term will result in traffic volumes in excess of capacity and which will adversely impact the existing regional system of highways and arterials; and

WHEREAS, the failure to improve capacity will cause unacceptable levels of service to occur throughout the transportation system; and

WHEREAS, the Transportation Uniform Mitigation Fee (TUMF) imposed on new development to mitigate transportation impacts will provide a revenue source to construct additional transportation infrastructure which has regional benefit; and

WHEREAS, Transportation Uniform Mitigation Fee (TUMF) will be a fair share and equitable method for distribution the unfunded cost of the transportation improvements needed to accommodate the future traffic generated by new development and is subject to an AB 1600 study; and

WHEREAS, absent a regional Transportation Uniform Mitigation Fee (TUMF) imposing a fair share traffic impact fee on new development, existing and known future sources of revenue will be inadequate to improve substantial portions of the circulation system needed to avoid unacceptable levels of congestion and related adverse impacts; and

WHEREAS, the Transportation Uniform Mitigation Fee (TUMF) will supplement revenue generated from a reauthorization of the other transportation funding dedicated for transportation and more specifically for regional arterial highway projects as identified in the reauthorization ballot language;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Perris as follows:

Section 1. The City of Perris acknowledges the importance of funding critical regional infrastructure and transportation improvements necessary to accommodate future growth and preserve the quality of life for current and future residents, and endorses the need for a TUMF to be adopted by the jurisdictions within western Riverside County.

Section 2.
