Filing of a petition of a landowner requesting institution of proceedings to establish the District;

Adoption of a Resolution of Intention to establish the District;

Adoption of a Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$50,000,000 within the proposed District;

Publication and mailing of notice of public hearing on the establishment of the District and of the proposed debt issue;

Conducting of a public hearing on the establishment of the District, the proposed public facilities and services and the incurring of the proposed debt, at which time all interested persons or taxpayers not exempt from the special tax were permitted to protest orally or in writing against the establishment of the District, were permitted to file written protests to the regularity or sufficiency of the proceedings, and any person interested, including persons owning property within the District, were permitted to appear and present any matters material to the questions set forth in the Resolution of Intention to Incur Bonded Indebtedness.

Section 3. The Report, as now submitted is hereby approved and is made a part of the record of the hearing, and is ordered kept on file with the transcript of these proceedings and open for public inspection.

Section 4. A community facilities district to be designated “City of Perris Community Facilities District No. 2001-2 (Villages of Avalon)” (“the District”) is hereby established pursuant to the Act.

Section 5. The description and map of the boundaries of the District on file in the City Clerk’s office and as described in said Resolution of Intention and incorporated herein by reference, shall be the boundaries of the District. The map of the proposed boundaries of the District has been recorded in the Office of the County Recorder of Riverside County, California in Book 50, page 3 of the Book of Maps of Assessments (Document Number 464762-2001).

Section 6. The type of public facilities (“Facilities”) authorized to be provided within the District include certain real and other tangible property with an estimated useful life of five years or longer, including public infrastructure facilities, and other governmental facilities which the City is authorized by law to construct, own or operate, within or without the District, which is necessary to meet increased demands placed upon the City as a result of development or rehabilitation occurring within the District. The Facilities are more fully described in Exhibit “B” attached hereto and by this reference incorporated herein.

Section 7. The type of public services (“Services”) authorized to be provided within the District include services which the City is authorized by law to provide, within or without the District, which is necessary to meet increased demands placed upon the City as a result of development or rehabilitation occurring within the District. The Services are more fully described in Exhibit “C” attached hereto and by this reference incorporated herein

Section 8. Except where funds are otherwise available, there shall be levied annually in accordance with procedures contained in the Act a special tax within the District, secured by recordation of a continuing lien against all nonexempt real property in the District, sufficient to pay for: (i) the Facilities, Services and Incidental Expenses; and (ii) the principal and interest and other periodic costs on bonds or other indebtedness issued to finance the Facilities and Incidental Expenses, including the establishment and replenishment of any reserve funds deemed necessary by the District, and any remarketing, credit enhancement and liquidity facility fees (including such fees for instruments which serve as the basis of a reserve fund in lieu of cash). The rate and method of apportionment and manner of collection of the special tax within the District is described in detail in Exhibit “A” attached hereto and incorporated herein by this reference. Exhibit “A” allows each landowner within the District to estimate the maximum amount that may be levied against each parcel.

Section 9. If special taxes of the District are levied against any parcel used for private residential purposes, (i) the maximum special tax rate shall not be increased over time except that it may be increased by an amount not to exceed two percent (2%) per year to the extent permitted in the rate and method of apportionment; (ii) such tax shall be levied for a period not to exceed forty (40) years commencing with Fiscal Year 2002-2003, provided, however, that such portion of the special tax that is levied to finance Services may continue in perpetuity, as further described in Exhibit “A” hereto; and (iii) under no circumstances will such special tax be increased more than ten percent (10%) as a consequence of delinquency or default by the owner of any other parcels within the District by more than ten percent.

Section 10. The special tax within the District is based on the expected demand that each parcel of real property the District will place on the Facilities and Services, on the benefit that each parcel derives from the right to access the Facilities and Services and on other factors. The Council hereby determines the rate and method of apportionment of the special tax set forth in Exhibit “A” to be reasonable. The special tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act and such special tax is not based upon the value or ownership of real property. In the event that a portion of the property within Community Facilities District No. 2001-2 shall become for any reason exempt, wholly or partially, from the levy of the special tax specified on Exhibit “A”, the Council shall, on behalf of Community Facilities District No. 2001-2, cause the levy to be increased, subject to the limitation of the maximum special tax for a parcel as set forth in Exhibit “A,” to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the special tax revenues required for the purposes described herein. The obligation to pay special taxes may be prepaid as set forth in Exhibit “A.”

Section 11. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the District, and this lien shall continue in force and effect until the special tax obligation is prepaid or otherwise permanently satisfied and the lien cancelled in accordance with law or until collection of the tax by the District ceases.

Section 12. In the event that a portion of the property in the District shall become for any reason exempt, wholly or partially, from the levy of the special tax specified in Exhibit "A" the Council shall, on behalf of the District, increase the levy to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the required payments, subject to the maximum tax.

Section 13. No special taxes of the District shall be levied unless there is first released the lien of special taxes of Community Facilities District No. 88-2 of the City of Perris.

Section 14. The Council finds that the Facilities and Services are necessary to meet the increased demand put upon the City as a result of the development within the District.

Section 15. The Council finds that there is not an ad valorem property tax currently being levied on property within the proposed District for the exclusive purpose of paying principal of or interest on bonds or other indebtedness incurred to finance construction of capital facilities which provide the same services to the territory of the District as provided by the Facilities. The Council further finds that the Services authorized hereunder are in addition to those provided in the territory of the district before the district was created.

Section 16. An appropriation limit for the District is hereby established as an amount equal to all the proceeds of the special tax collected annually and as defined by Article XIII B of the California Constitution, as adjusted for changes in the cost of living and changes in population.

Section 17. Written protests against the establishment of the District, or against the furnishing of specified services or facilities or the levying of a specified special tax within the District, have not been filed by fifty percent (50%) or more of the registered voters or property owners of one-half (1/2) or more of the area of land within the District.

Section 18. The proposed special tax to be levied in the District to pay for all the proposed facilities has not been precluded by protests by owners of one-half or more of the land in the territory included in the District pursuant to Government Code Section 53324.

Section 19. The Office of the City Manager, 101 North "D" Street, Perris, California 92570, (909) 943-6100, or its designee, is designated to be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and for estimating future special tax levies pursuant to Section 53340.1 of the Government Code.

Section 20. The City Clerk is directed to certify and attest to this Resolution and to take any and all necessary acts to call, hold, canvass and certify an election or elections on

the incurring of bonded indebtedness, the levy of the special tax, and the establishment of the appropriation limit.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2002-03, and for each following Fiscal Year, the Council shall levy the Special Tax A until the amount of Special Tax A levies equals the Special Tax Requirement. The Special Taxes shall be levied each Fiscal Year as follows:

First: The Special Tax A shall be levied on each Assessor's Parcel of Developed Property at 100% of the applicable Assigned Special Tax A. However, a credit shall be granted to each Assessor's Parcel of Developed Property equal to the Public Safety CFD Special Tax levied on that Assessor's Parcel in that Fiscal Year;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax A for Undeveloped Property.

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax A on each Assessor's Parcel of Developed Property whose Maximum Special Tax A is determined through the application of the Backup Special Tax A shall be increased Proportionately from the Assigned Special Tax A up to the Maximum Special Tax A for each such Assessor's Parcel. However, under no circumstances shall Special Taxes be levied under this third step to pay for Landscape Maintenance Charges;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property, Taxable Public Property, and Taxable Water Company Property at up to the Maximum Special Tax A for Taxable Property Owner Association Property, Taxable Public Property, and Taxable Water Company Property. However, under no circumstances shall Special Taxes be levied under this fourth step to pay for Landscape Maintenance Charges.

In cases where the Special Tax A for an Assessor's Parcel has been fully or partially prepaid for Residential Property, a Special Tax B shall be levied annually on such Assessor's Parcel, when appropriate, as described in Section H, below.

Notwithstanding the above the Council may, in any Fiscal Year, levy Proportionately less than 100% of the Assigned Special Tax A in step one of Section D (above), when (i) the Council is no longer required to levy a Special Tax pursuant to steps two through four above in order to meet the Special Tax Requirement; (ii) all authorized CFD No. 2001-2 Bonds have already been issued or the Council has covenanted that it will not issue any additional CFD No. 2001-2 Bonds (except refunding bonds) to be supported by Special Taxes; and (iii) all facilities identified in Exhibit A to the Acquisition Agreement have been acquired.

Notwithstanding the above, under no circumstances will the Special Tax A levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2001-2.

E. EXEMPTIONS

No Special Tax shall be levied on up to 1.96 Acres of Property Owner Association Property, 68.06 Acres of Public Property and 1.5 Acres of Water Company Property. Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property becomes Property Owner Association Property, Public Property or Water Company Property. However, should an Assessor's Parcel no longer be classified as Property Owner Association Property, Public Property or Water Company Property, its tax-exempt status will be revoked.

Property Owner Association Property, Public Property, or Water Company Property that is not exempt from Special Taxes under this section shall be subject to the levy of the Special Tax and shall be taxed Proportionately as part of the fourth step in Section D above, at up to 100% of the applicable Maximum Special Tax A for Taxable Property Owner Association Property, Taxable Public Property, or Taxable Water Company Property.

F. REVIEW/APPEAL COMMITTEE

The Council shall establish as part of the proceedings and administration of CFD No. 2001-2 a special three-member Review/Appeal Committee. Any landowner or resident who feels that the amount of the Special Tax levied on their Assessor's Parcel is in error may file a notice with the Review/Appeal Committee appealing the amount of the Special Tax levied on such Assessor's Parcel. The Review/Appeal Committee shall interpret this Rate and Method of Apportionment and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals, as herein specified. The decision of the Review/Appeal Committee shall be final and binding as to all persons.

G. MANNER OF COLLECTION

Special Tax A and Special Tax B as levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the CFD Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of CFD No. 2001-2 or as otherwise determined appropriate by the CFD Administrator.

H. PREPAYMENT OF SPECIAL TAX A

"Construction Inflation Index" means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year that ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

"Future Facilities Costs" means the CFD Public Facilities minus (i) public facility costs available to be funded through existing construction or escrow accounts or funded by Outstanding Bonds, (ii) public facility costs funded by interest earnings on the Construction Fund actually earned prior to the date of prepayment, and (iii) public facilities costs paid directly with Special Taxes.

"Outstanding Prepayment Bonds" means, as of any date, all Bonds previously issued that are anticipated by the CFD Administrator to be outstanding under the applicable Indenture immediately after the first principal payment date for such Bonds following the then current Fiscal Year.

1. Prepayment in Full

The Special Tax A obligation described in Section D above with respect to any Assessor's Parcel of Developed Property or Update Property may be fully prepaid, except that a Special Tax B shall be levied on such Assessor's Parcel after the prepayment has occurred if such Assessor's Parcel is Residential Property, or if it becomes Residential Property. In addition, the Special Tax A obligation of any Assessor's Parcel of Taxable Public Property may be prepaid, without a Special Tax B being levied thereafter. A prepayment may be made on an Assessor's Parcel only if there are no delinquent Special Tax A levies with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax A obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel, and the amount of the Special Tax B, if any, that shall continue to be levied on the Assessor's Parcel after prepayment has been made. The CFD Administrator may charge the Assessor's Parcel's owner a reasonable fee for providing these figures, which must be paid by the owner of the Assessor's Parcel prior to the calculation of the prepayment amount. Prepayment must be made not less than 15 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Prepayment Amount (defined below) for any Assessor's Parcel of Taxable Public Property shall be determined by the CFD Administrator as authorized under Sections 53317.3 and 53317.5 of the Act. However, no Special Tax A prepayment for any Assessor's Parcel of Taxable Public Property shall be allowed unless the amount of Assigned Special Tax A levies that may be imposed on Taxable Property within CFD No. 2001-2 after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Prepayment Bonds.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Defeasance Amount
plus	Administrative Fees and Expenses
<u>less</u>	Reserve Fund Credit
Total:	equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be calculated as follows:

Paragraph No.:

1. Confirm that no Special Tax A delinquencies apply to such Assessor's Parcel.

2. For Assessor's Parcels of Developed Property compute the Assigned Special Tax and Backup Special Tax applicable for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Update Property, compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.
3. (a) Divide the Assigned Special Tax A computed pursuant to paragraph 2 by the estimated Assigned Special Tax A levies for all of CFD No. 2001-2 based on the Developed Property Special Tax A levies which could be imposed in the current Fiscal Year on all existing and expected development in CFD No. 2001-2, excluding any Assessor's Parcels which have been prepaid; and

(b) Divide the Backup Special Tax A computed pursuant to paragraph 2 by the estimated Backup Special Tax A levies at buildout for CFD No. 2001-2 using the Backup Special Tax A amounts for the current Fiscal Year, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Prepayment Bonds, and (if determined necessary by the CFD Administrator to effect the redemption of Bonds with such prepayment) round up to the nearest integral multiple of \$5,000 to compute the amount of Outstanding Prepayment Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Outstanding Prepayment Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Tax A levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Prepayment Bonds to be redeemed with the prepayment.

11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses of CFD No. 2001-2, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").
13. If bond reserve funds for the Outstanding Prepayment Bonds, if any, are anticipated to be at or above 100% of the bond reserve requirement (as specified in the Indenture) immediately after the first principal payment date in the next Fiscal Year, the reserve fund credit shall equal the expected reduction in the bond reserve requirement, if any, associated with the redemption of Outstanding Prepayment Bonds as a result of the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if bond reserve funds are anticipated to be below 100% of the bond reserve requirement immediately after the first principal payment date in the next Fiscal Year.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").
15. The Special Tax A prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Prepayment Amount").
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Prepayment Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 2001-2.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax A levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax A levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the City shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Tax A and the release of the Special Tax A lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax A shall cease. However, Special Tax B shall still be levied on such Assessor's Parcels in future Fiscal Years when appropriate.

Notwithstanding the foregoing, no Special Tax A prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied on Taxable Property within CFD No. 2001-2 after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Prepayment Bonds.

2. Prepayment in Part

The Maximum Special Tax A on an Assessor's Parcel of Developed Property or Update Property may also be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula (provided that the partial prepayment must in any event be sufficient to, in addition to payment of all other components of the Prepayment Amount, redeem Bonds in increments of \$5,000):

$$PP = P_E \times F$$

These terms have the following meaning:

- PP = the partial prepayment
- P_E = the Prepayment Amount calculated according to Section H.1
- F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Maximum Annual Special Tax A.

The owner of an Assessor's Parcel who desires to partially prepay the Maximum Special Tax A shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Maximum Special Tax A, (ii) the percentage by which the Maximum Special Tax A shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if applicable. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Maximum Special Tax A for an Assessor's Parcel within 30 days of the request and may charge a reasonable fee for providing this service. Such fee must be paid prior to the calculation of the Prepayment Amount.

With respect to any Assessor's Parcel that is partially prepaid, the CFD Administrator shall (i) distribute the funds remitted to it according to Paragraph 13 of Section H.1. and (ii) indicate in the records of CFD No. 2001-2 that there has been a partial prepayment of the Maximum Special Tax A and that a portion of the Maximum Special Tax A equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax A shall continue to be authorized to be levied on such Assessor's Parcel pursuant to Section D. A Special Tax B shall also be levied in future Fiscal Years on such Assessor's Parcel when appropriate.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied for the period not to exceed 40 years commencing in Fiscal Year 2002-03, provided however that Special Tax A will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined (i) that all required interest and principal payments on the Bonds have been paid; and (ii) all facilities have been acquired and all reimbursements to the developer have been paid pursuant to the Acquisition Agreement. However, the Landscape Maintenance Charge may be levied in perpetuity for maintenance within CFD 2001-2.
