Goetz Road Repairs Completed

Repair work to replace damage on Goetz Road in south Perris was completed and traffic was moving normally in both directions Thursday.

Storm-related repairs on a stretch of Goetz Road in south Perris have been completed and traffic Thursday, January 26, was moving smoothly in both directions.

The City closed Goetz Road south of Ethanac Road following heavy rains last weekend that washed away portions of the pavement. Repairs were completed after three days. All roads in Perris have been reopened after last week's storms.
