I-215 Ramp Closure

The southbound ramp to Interstate 215 will be closed for construction from 11 p.m. Friday (March 10) to 10 p.m. Saturday (March 11). Paving operations, part of the expansion of the off-ramp, will take place during the closure.

Detour signs will be placed along the southbound side of I-215 warning motorists of the ongoing construction.

A detour sign will warn motorists of the closure at Nuevo Road and instruct them to exit at D Street, turn left on San Jacinto Avenue and left on Perris Boulevard to return to Nuevo Road.

Work on the Nuevo Road intersection is part of a more extensive road improvement program.

Following completion of the interchange improvements, construction will begin on the Nuevo Road median. The work includes construction of a raised median with a rock blanket. Those upgrades are scheduled from March 15-31.

Inclement weather or Caltrans-mandated changes may delay completion of the interchange project.
